Bridge of Ice Forms in Niagara Gorge

This ice bridge was formed in the Niagara gorge below the falls by a combination of high winds holding back the water in the upper river back of the falls, and by the cold snap which formed giant ice cakes. The falls themselves (background) also were chained by the ice jam which lowered the upper Niagara river to an all-time record. The flow was lessened each day until a mere trickle of water was going over the brink and any intrepid soul might walk from the American side to Goat island.

Limping Was a Fad Among Women in Denmark in 1863
Many women in England walked with the "Alexandra Limp" for several years after 1863 when Princess Alexandra of Denmark, who was lame, was married to the Prince of Wales, later King Edward VII. Eventually the nationwide fad was laughed out of existence.—Collier's.

No Need to Suffer "Morning Sickness"

"Morning sickness"—is caused by an acid condition. To avoid it, acid must be offset by alkalis—such as magnesia.

Why Physicians Recommend Milnesia Wafers

These mint-flavored, candy-like wafers are pure milk of magnesia in solid form—the most pleasant way to take it. Each wafer is approximately equal to a full adult dose of liquid milk of magnesia. Chewed thoroughly, then swallowed, they correct acidity in the mouth and throughout the digestive system and insure quick, complete elimination of the waste matters that cause gas, headaches, bloated feelings and a dozen other discomforts. Milnesia Wafers come in bottles of 20 and 48, at 35¢ and 60¢ respectively, and in convenient tins for your handbag containing 12 at 20¢. Each wafer is approximately one adult dose of milk of magnesia. All good drug stores sell and recommend them. Start using these delicious, effective anti-acid, gently laxative wafers today. Professional samples sent free to registered physicians or dentists if request is made on professional letterhead. Select Products, Inc., 4402 23rd St., Long Island City, N. Y.
