been serious about this matter. In fact, we don't believe there is any such person.

It is a fact, though, that many motorists do have false or exaggerated ideas about gasoline mileage. That's why Standard Oil is conducting a great public road test this summer, in

which thousands of motorists are taking part. Reports already indicate that many are learning valuable new facts about the econom-

ical operation of their cars-discovering how to use gasoline more efficiently-finding out which brand of motor fuel does the best and

cheapest job for them. Even if you aren't entered in the World's Greatest Road Test, it
