#### It Is Cold Because It Is Warm!

It is strange what intensive study reveals and regarding the weather alone there are undoubtedly thousands of believe-it-or-nots which This Is The Kind of might make good reading. For instance, when snow falls there invariably is a raw, cold nasty breeze or wind in its wake-or at the wake of some late citizen-and weather- Cole, of Star, enclosing a money men say this is caused by the snow warming the earth. The heat thus generated brings down cold air as the warm air ascends and there to have on its list. His subscripyou have 'it-it is cold because it is warm.

Another strange one has to do we always receive a money order with lightning. When that streak from Mr. Cole extending his substrikes a tree and it flies to pieces scription and now Mr. Cole takes it is because the heat turns water the honor list on our subscription therein to steam which explodes list, being paid ahead farther than and throws the wood to slivers.

#### Feb. 1 Is Deadline On Auto Licenses reduced rate was again in effect

February 1 is the deadline on this year and we have credited his automobile license buying. Like subscription up to August, 1939, last year, most of those who call which places him eight months that the personal taxes must be thanks E. E. and we hope that paid on their cars first. The law many of our readers will emulate says you must present a receipt for your example and ease the financial your taxes on the family hack be- stringency around these headquartfore you even dare to look like you ers.
