Chauncey D. Keyes was born in Shahola, Pa., June 8, 1854, and died at his home in Inman, Nebr., on Saturday, Jan. 30, at the age of 82 years, 7 months and 16 days. Mr. Keyes grew to manhood in the east and came west to Nebraska in March, 1880. His arrival at Stanton was made memorable by a big blizzard which caused a delay of 10 days, after which he continued on to Oakdale by rail, that being as far as the railroad extended at that time.
