Ralph Harold Sholes

Ralph Harold Sholes was born Nov. 1, 1900 at Venus, Nebr., and died Nov. 14, 1937 at O'Neill at the age of 37 years and 13 days. When he was about 4 years of

age he moved with his family to Ewing and later to Inman, where he lived the greater part of his life. On Aug. 28, 1923 he was united in marriage to Miss Elma Conard, also of Inman, at Burke, S. D. To this union four children were born, three daughters and one son.

Mr. Sholes had been in poor health for several months, and on November 1, was taken to the O'Neill hospital where an operation was performed. For a time hope was held for his recovery, but on Sunday, Nov. 14, his condition became critical and at 7:35 Sunday evening he slipped quietly away.

Left to mourn his passing are his wife, Mrs. Violet Sholes, his daughters, Sarah Laura 12, Barbara Ruth 9, Mary Lou 7, and a son, Ralph Harold, Jr., 5. His mother, Mrs. Sarah Sholes, three brothers, Delbert, Rufas and James all of Inman, and one sister, Mrs. Daisy Hawk of Ewing, and a number of nieces and nephews. His father, Fred C. Sholes, and a sister, Fern, preceded him in death.

Mr. Sholes was a kind father and husband, and a good neighbor. He will be sadly missed by his family and community where he was known so well. While we are not able to understand why these things are so, we leave him in the hands of his Creator who knows how to make all things work together for good for all who love Him.

Funeral services were held Tuesday afternoon at the M. E. church in Inman, Rev. E. B. Maxcy, pastor of the church officiating. A ladies quartet composed of Mrs. Gene Clark, Mrs. Karl Keyes, Mrs. A. N. Butler and Mrs. Walter Sire, sang. Mrs. L. R. Tompkins presided at the piano. Pall bearers were: Paul and George Bitner, James and William Kelley, Jr., Harry McGraw and James Coventry. The floral offerings were beautiful. Burial was made in the Inman cemetery.

The bride was beautifully gowned in brown figured silk crepe and was attended by her sister, Miss Ruth. The groom was attended by his brother, Charles Voorman, also of Venus. Through the ceremony which was performed by Rev. E. B. Maxcy of the local M. E. church, the son "I Love You Truly" was softly played on the piano by Miss Hazel Fraka.

Following the ceremony a delicious wedding dinner was served by the bride's mother. Those attending the ceremony were Mr. and Mrs. Frank Voorman and daughter, Rose, and son, Charles, and James

Wadsworth, of Venus; Mr. and Mrs. J. B. Fraka and family, and Mrs. Fannie Leidy of Inman. The happy couple will live on a farm near Venus where the groom has just completed the building of a new house.

TIGHT FITS
between engine parts

That's why mere "fast-flowing" oils get beat by **WINTER OIL-PLATING**

How hard is it for any known oil to squirm in amongst scores of close-fitting engine parts? It's hard. Hence all Winter oil ads rightly tell you that even a worn, loosened-up engine needs extra fast oil-flow this season.

Free-flowing Conoco Germ Processed oil holds your ears: speedy flow in any cold. And yet Conoco asks you earnestly: **WHY BE SATISFIED WITH ANY FREE-FLOW ALONE, WHEN YOU CAN JUST AS EASILY HAVE THE RE-DOUBLED INSURANCE OF AN OIL-PLATED ENGINE?**

Only an OIL-PLATED engine is lubricated for every cold start in advance—whole hours and days before any mere free-flowing oil can do one single wiggle!

Germ Process action on every working part creates OIL-PLATING. It becomes a part of all surfaces. It cannot drain down. It stays up without interruption, forever ready to speed your starter and preserve your engine every inch of the way this Winter.

Oil level stays up, too, once your Conoco Mileage Merchant puts in your correct Winter grade of Germ Processed oil.
