We Have A GOOD WILL GIFT for Everyone!

WE WANT TO GIVE YOU A HANDSOME

KWIK LITE All Purpose ELECTRIC LANTERN

Something which you need and which would cost you \$1.00 if purchased at any of the stores in which it is sold.

THIS IS NOT A CONTEST! YOU DON'T HAVE TO "WIN" ANYTHING!

No puzzle to solve—no subscriptions to sell or pay for! Subscriber or non-subscriber, you are equally welcome to receive this fine gift. This is how you get it:

THE LANTERN IS FREE!

Just come in and ask for it; it comes to you with our compliments and a sincere hope that it will prove useful to you for years to come—but here is what you MUST DO to obtain it. You must pay for your own accessories, (batteries and bulbs) to operate it. We do not furnish free batteries and bulbs—like buying gasoline for your car, you have to pay for your own and you MUST pay for the set that accompanies the lantern, at the cost-to-us price of 40c per complete set, unless you wish to obtain a FREE SET by taking advantage of our ADDITIONAL OFFER, which is shown at the bottom of this announcement.

YOU HAVE HEARD OF THE KWIK LITE LANTERN!

We think you already know all about the famous KWIK LITE Lantern which has proved to be such a sensation wherever it has been introduced by newspapers to their readers; however if you have not seen it, here it is. Note that it is not just an ordinary lantern but a decided improvement in safe dependable lighting.

KWIK LITE does not have just one light—it has two—an unbreakable trouble light on top and a long distance, focusing type, headlight in front. This searchlight is capable of throwing a beam a distance of 300 feet, thus being suitable even for an emergency headlight for your car, should your lights go out some night on the road.

The body of the lantern is of light weight steel, done in attractive silver finish, with base of contrasting red, blue or green. Switches and focusing button are located conveniently on the back of the lantern.

You will need this lantern every day—on the road at night, working on tire or car—down in the cellar or dark closet, finding something laid away there—about the home, or out in the barn. No fire hazard with Kwik Lite either. These are some of a hundred places you have needed and will need this fine lantern.

It Hangs or Stands-Anywhere

AND REMEMBER!

You may have one for the asking—we have one for you either in stock or on the way and every paid subscriber to this newspaper will get his lantern if he will simply ask for it. This is NOT a limited time offer, we're going to keep right on giving away lanterns, week in and week out until each of you have one. However, we'll appreciate it if you'll call or write as soon as you can, but before you do, be sure to READ—

OUR AMAZING ADDITIONAL OFFER!

If, when you receive your lantern, you decide to pay a year's subscription to The Frontier in advance, we will make you an ADDITIONAL PRESENT of the complete accessories to operate it—complete battery and bulb equipment for your lantern, thus giving you TWO GIFTS instead of one.

And for each additional year you pay you will receive an ADDITIONAL set of free accessories. Think of it! A free lantern and one complete set of FREE ACCESSORIES, for each year's subscription you may wish to pay when you receive your lantern. This additional offer is entirely optional, however, you need not pay a subscription when you get your lantern unless you wish to do so.

YOU SHOULD ACT NOW!

We cannot too strongly urge you to take advantage of this extraordinary offer. This is a real gift—something you will be glad to receive and which you can put to practical use every day. You will thank us many times for bringing it to you. If you can't come in, use the coupon below, (if you wish to receive both the free accessories and the lantern).

MAIL COUPON IF YOU CANNOT CALL AT THE OFFICE

THE FRONTIER, O'NEILL, NEBRASKA:
