··· Stand to **Gain Most**

As the owners and electric users—you the peo-ple stand to gain most from the operation of your Consumers Public Power District in Nebraska.

Organized by Nebraska people, operated by Nebraska people for Nebraska people, the bene-fits of the District can be divided into three groups.

To the employees, who are responsible for the successful operation, it is the purpose of the District to pay a fair wage and provide employment.

The bond holders must be paid back the amount of their investment with a fair rate of interest-this amount is fixed and will be eliminated when the bonds are paid off.

All of the many benefits resulting from the operation of Consumers Public Power District in addition to those listed above, must go to you, the people for there are no stockholders-no one to whom a profit must be paid. Your own statewide electric system works for you and you reeeive all the profits of its efficient operation in dependable electric service at low rates.
