BANKS AND THE WAR

This is Total War

EVERY man, woman and child is in this war.

There are no longer only military fronts, as in past wars. Instead, our whole nation is a "front" and we are all "fighters" in the sense that our individual efforts are closely linked to ultimate victory. There are many ways to help: in civilian defense, by supporting war organizations, by helping pay for the war, by doing the best we can in our daily work. This bank welcomes the chance to help you help your country. Tell us your problem.
