Congressman Miller's Weekly Letter

Parade of Flowers Begins: In spite of the fact that the weather has been cold and wet for the past month in Washington the parade of flowers is well under way.

Publications For the Home-Maker: Under this title the Department of agriculture has issued a list of free bulletins for distribution by members if Congress.

Bean Soup: There is one thing you will invariably find on the menu in the Capital restaurants and that is bean soup.

Wash and run through hot water until the beans are white, put on fire with four quarts of water. Add one and one-half pounds of smoked ham hocks, boil for two and one-half hours.

Congress Resumes: The Second session of the 78th Congress reconvenes on April 12th to take up a crowded program.
