AMERICAN HEROES BY LEFF

As our guns groped blindly for vital enemy targets in Tunisia, Sergeant Donald V. Peterson of South Minneapolis crept beyond our lines. Snipers and machine guns raked the ground, but he pushed on, snaked forward into view of our targets. Sheltered from withering fire by one small bush, he radioed fire commands and our guns battered the enemy. His country recognized Peterson's bravery with the Silver Star. You can recognize it with another War Bond.

is that the Court may find and determine the time of the death of Louisa Matilda Johnson; that she died intestate a resident and citizen of Holt County, Nebraska; may find and determine who are her heirs and fix their degree of kinship; may find and determine the right of descent of the interest in said real property belonging to said deceased; that further administration of said estate may be dispensed with; that there are no debts against her said estate and that the claims of all creditors are barred and that there is no inheritance tax, state or federal, due from this said estate or any of the heirs thereof and for such other and further relief as may be just and equitable.

That said matter is set for hearing before the County Court of Holt County, Nebraska, in the Court House in the County Court Room in the city of O'Neill, Holt County, Nebraska, on the 4th day of May, A. D., 1944, at the hour of ten o'clock A. M., and that if you fail to appear at said time and place to contest said petition the Court may grant the prayer thereof.

Dated this 10th day of April, A. D., 1944. BY THE COURT: LOUIS W. REIMER, County Judge. (COUNTY COURT SEAL)

What You Buy With WAR BONDS 5 Ocean Navy

When Pearl Harbor burst upon us our great expanse of territory was protected by a one ocean navy of about 350 first line ships with an addition of an approximate number building.

Now we are in a five ocean war and we are required not only to pay for the building of enough ships of the line but also for hundreds of Liberty ships and auxiliary craft. The amount of money you invested in War Bonds when we had a one ocean navy was all right then, if isn't enough now. Buy more and more War Bonds.

Dispatcher PAT KEEFFE ... RAIL-MINDED DAD WITH FIVE FIGHT-MINDED SONS

MIDWAY between Chicago and the Twin Cities lies Adams, Wisconsin. Here the sleek Twin Cities "400's"—one northbound and the other southbound—meet, tarry a moment, and pass on. And here Train Dispatcher Pat Keeffe, following the movements of every train, looks after his "charges" as closely as a mother hen her brood. For this 40-year service man realizes that eternal vigilance is the price of safety.

Pat Keeffe is a high-ranking member of "North Western's" Sons-in-service fraternity, with five sons, all fighting for Uncle Sam! First, there's Major Harold. A flier for 8 years at Wright Field in Ohio. Then there's Corporal Kenneth. Ken's a paratrooper who has seen plenty of action in Italy. Next comes Lieutenant Donald, another army aviator, now in India. Ensign John is fourth in line—a navy flier, he's been overseas since last fall—somewhere south of Trinidad. Finally, there's Bill, recently turned 20 years—an aviation cadet at San Antonio.

A rail-minded dad with five fight-minded sons—"North Western" salutes them! Each plays an essential part in America's fight for freedom—each has a vital job to do in the march toward victory. And we never cease to be grateful that among "North Western's" 32,000 employes there are thousands more like them!
