His patriotism is written in

BLOOD.

Yours is written on every Bond you buy in the 5TH WAR LOAN!

The stepping stones to victory are red with blood of American heroes. Tarawa... Salerno... Cassino. Their patriotism is written in blood. Your patriotism is written on every Bond you buy in this vital 5th War Loan. Your name on a War Bond means you're behind our invasion troops.

Bonds now. Invest in more than you've ever purchased before. Invest \$100, \$200, \$300, \$400. Those who can, must invest thousands of dollars.

For this is the biggest job we've ever had to do. We can't fail our fighting men as they plunge into the biggest and bloodiest struggle of all.

WELCOME THE VICTORY VOLUNTEERS when they call to tell you about War Bonds

THE OLD JUDGE SAYS...

"I can't think of anything else you'll need for your Victory garden, Judge... you've got pretty nearly everything."
"I think so, too, John. Ever get your asparagus patch going?"
"I gave that up last year, Judge. Tried it six years in a row with no luck. Just haven't got the right soil, I guess?"
"Well, I think you're wise, John... no use keeping on trying things you know won't work. Just like prohibition. State-wide prohibition has been tried in this country

seventy-two times in the last ninety years. It has been adopted forty-seven times in the past thirty-three years and discarded everywhere except in three states. Same thing was tried in eight provinces in Canada and in Norway, Sweden, Finland and Russia but it was an admitted failure and universally abandoned.
"The reason is prohibition does not prohibit. All you get is bootleg liquor instead of legal liquor, plus no end of crime and corruption."
