CHAS. E. SANDALL SAYS:

NEBRASKA'S "NO SALE TO MINORS" LAW REALLY WORKS!

Nebraska laws see to it that there shall be no sale of alcoholic beverages to minors. Violation of this law subjects the tavern keeper to revocation or suspension of his license . . . up to \$50 fine for the minor.

This is a good law and this Committee gives it full support. Going still farther, to discourage minors from attempting misrepresentation of age, we provide retailers with "Sworn Statements" which doubtful cases must sign before making a purchase. Signers swear they are 21 years

of age or over. The \$50 fine for misstatement is emphasized.

This is just one of many services to the public by the brewing industry of Nebraska in the interest of law enforcement. It typifies our desire to keep the retailing of beer on the same high plane as the retailing of any food product.

Nebraska is Fortunate in Having One of the Best Liquor Control Statutes in the Nation

Bring Your Questions

Your Own State-Wide Electric System

Gasoline Alley
By Frank King

DIG DOWN AND PUT OVER THAT

THESE ARE THE THINGS THAT REALLY COUNT—

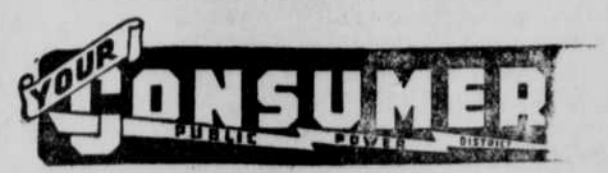

Your Electric Service is Dependable, Efficient and Cheap

Speaking Electrically, it is dependable, efficient, low-cost service that really counts . . . the kind of service which is there, at the snap of a switch, to do your bidding. It takes sound planning and efficient utility operation by qualified employees to maintain that kind of service.

The men and women who operate your Consumers Public Power District today are the same skilled employees who have served you efficiently and loyally for the past many years. Their valuable years of experience plus the efficient interconnected state-wide facilities of your Consumers Public Power District make possible the high type of electric service you receive at lower and lower cost . . . and through the abundant supply of electric power made available, vital industries and wartime projects have been enabled to locate in Nebraska-bringing additional jobs and prosperity to Nebraska communities.

You, the users of electricity, by being the owners of Consumers efficient state-wide system, enjoy the advantages of its dependable, economical service and are assured additional benefits resulting from its efficient operation as they continue to accrue from year to year.

Serving Nebraska Electrical From Border To Border

Owned By The People—Serving The People

ONE OF THE LARGEST TAXPAYERS IN VIRTUALLY EVERY COMMUNITY SERVED

Each year Consumers Public Power District pays over a third of a million dollars to City, County, State and school tax funds throughout the communities served. According to the law under which the District operates, these tax payments WILL CONTINUE TO BE MADE EACH YEAR in the various communities in which the District has property.
