CONSTITUTIONAL AMENDMENT

Proposed By Initiative Petition

(Title)
 AN AMENDMENT to Section 1, Article VIII, of the Constitution of Nebraska, so as to provide that all of the net proceeds derived from motor vehicle registration fees, motor vehicle license taxes, and all excise taxes levied upon gasoline and other motor vehicle fuels used in motor vehicles in the State of Nebraska shall be appropriated and used for the purpose of constructing, repairing and maintaining public highways within the State of Nebraska and for no other purpose whatsoever.

(Text)
 That Section One (1) of Article Eight (8) of the Constitution of Nebraska be amended to read as follows:

"The necessary revenue of the state and its governmental subdivisions shall be raised by taxation in such manner as the legislature may direct; but taxes shall be levied by valuation uniformly and proportionately upon all tangible property and franchises, and taxes uniform as to class may be levied by valuation upon all other property. Taxes, other than property taxes, may be authorized by law. Existing revenue laws shall continue in effect until changed by the legislature.

"All of the net proceeds from motor vehicle registration fees and license taxes, gasoline and other motor fuel excise and license taxation, except the proceeds from taxes imposed on gasoline used in aircraft, after payment therefrom for (A) administration and statutory refunds; (B) payment of obligations incurred in the construction and reconstruction of public highways and bridges; shall be appropriated and used solely for construction, reconstruction, maintenance and repair of public highways and bridges, and shall not be diverted by transfer or otherwise, to any other purpose."

The above proposed measure to be voted upon at the General Election, November 7, 1944, is published in accordance with Section 1910, Chapter 32, Compiled Statutes of 1929, State of Nebraska.

LET'S ITEMIZE
 A Typical Monthly Electric Bill

Electric Service 3.29

But look what it buys . . .

- 720 hours of refrigeration
- 150 hours of lighting
- 4 big washings
- 4 big ironings
- 120 hours of radio entertainment
- 720 hours of electric time
- Vacuum cleans your home—

brews coffee, makes toast, waffles and grills sandwiches, does the food mixing, sewing, floor waxing and countless other tasks that electricity performs in your home.

All for less than the cost of a package of cigarettes or a soda per day.

What A Bargain!

Yes, your electricity is the BIGGEST BARGAIN you buy today!

Did you ever stop to think how much the few cents you spend per day for electricity actually buy for you?

Your electricity is about the cheapest item in your household budget . . . yet, its value is one of the most important. That's because your electric rates have a tendency to go down and down . . . even while other things have gone up. In spite of the sharply increasing prices of most other items, you pay only about half a cent per kilowatt hour for your electricity today as you did only a few years ago.

Although other living costs are up—

Your Electricity is cheaper today than ever before.
