Consumers' Electric Rate Cuts Benefit Nebraska Farms, Homes and Business!

ELECTRIC USERS WILL NOW SAVE OVER \$869,000.00 PER YEAR ---

ANNOUNCEMENT of new standard electric rates effective on and after Sept. 5 for residential, commercial and rural customers served by Consumers Public Power District throughout the state, brings total savings made possible by Consumers rate reductions to over \$869,000.00 per year.

The new low rates will result in additional savings of over \$415,000.00 annually for residential, commercial and rural electric users served throughout the state by Consumers. Statewide rate standardization will make available the same low rates for communities in comparable population groups served by the interconnected system.
