

CHAS. E. SANDALL SAYS:

"LIKE OTHER GOOD
RETAILERS, BEER
TAVERNS TO CLOSE
ON V-E DAY"

Like all legitimate businesses, voluntary closing of all beer retailers in Nebraska on the day the war ends in Europe is assured. This industry, like all good businesses, is anxious to cooperate with any movement which is in the public interest. The purpose of this committee is to maintain good beer-selling conditions throughout the state --- educating tavern owners and checking tavern conditions --- constantly.

The Advantages Provided By Your Own State-Wide Electric System

In only five years' operation, Your Consumers Public Power District has reduced the cost of electricity for its customers throughout Nebraska more than \$869,000.00 per year.
As a result, Nebraska electric users served by Consumers have already saved approximately one and one-half million dollars. Recent reductions totaling more than \$415,000.00 annually will almost double previous savings.
You, the owners and customers, benefit from the success of your own state-wide electric system. Think what these benefits mean to you as they continue to accrue from year to year
