**INITIATIVE PETITION**  
Sample Ballot

**General Election, November 7, 1944**

**AN ACT PROPOSED BY INITIATIVE PETITION**

300  YES

301  NO

AN ACT to prohibit the manufacture, sale, transportation, importation, advertising, possession or use of intoxicating liquors as a beverage, and to repeal the existing liquor laws of the State of Nebraska set forth in Chapter 116, Laws of Nebraska for 1935, and all amendments thereto.

This is the PROHIBITION ballot. It will be handed to you at the polls November 7. Read it carefully NOW. Note that this proposed law not only forbids manufacture, sale and transportation of beer, wine and liquors in the state BUT IT PROHIBITS THE USE AND POSSESSION OF THEM. It makes you a criminal if you take a drink of beer or have a bottle of beer in your home. Unless this law is defeated the state, county and local governments will lose a total of approximately \$3,500,000 a year in revenues which will have to be made up with NEW AND INCREASED TAXES ON YOU. This measure repeals all of our state liquor control laws and leaves Nebraska without any state control whatsoever. If passed, this law will turn Nebraska into a bootlegger's paradise. It would hand the beer and liquor industries over to thugs, gangsters and gunmen. **DEFEAT THIS DANGEROUS PROPOSAL** by voting NO when you go to the polls in November!
