VOTE NO on Prohibition

General Election, November 7, 1944

AN ACT PROPOSED BY INITIATIVE PETITION

300 YES
301 NO

AN ACT to prohibit the manufacture, sale, transportation, importation, advertising, possession or use of intoxicating liquors as a beverage, and to repeal the existing liquor laws of the State of Nebraska set forth in Chapter 116, Laws of Nebraska for 1935, and all amendments thereto.

THIS IS THE PROHIBITION BALLOT

Read it carefully! Note that it prohibits not only the manufacture and sale of beer, wines and liquors in Nebraska, BUT PROHIBITS THE USE AND POSSESSION OF THEM. It makes you a criminal if you take a drink of beer or have a bottle of beer in your home! If this proposal is adopted by voters on November 7 the state Old Age Assistance fund, as well as county and local governments will lose \$3,500,000 a year in tax revenues, which will have to be made up with new and increased taxes on you. If passed, it will make the state legally "dry" and leave Nebraska without any state liquor control laws . . . and our state will immediately become a bootlegger's paradise. For those who honestly believe in prohibition, this proposal is IMPROPERLY DRAWN. DEFEAT THIS DANGEROUS PROPOSAL! Be sure and vote the small ballot . . . vote "NO" . . . put your X in the box numbered 301.

VOTE FOR Tom Lanigan
of Grand Island, Nebraska, for **CONGRESS**
FOURTH DISTRICT

A Vote for Lanigan Is A Vote for the Common Man

Tom Lanigan's Ideas on Government

- He prefers a democracy to any other form of government.
- He stands for a free press.
- He is against people who push other people around here or in other countries.
- He is against fraud and deceit and petty politics.
- He will expose those who would infringe on the civil rights of the common man.
- He is for people who are just, kind, fearless and honest.
- He will oppose and expose monopoly that injures the little man.
- He stands for free enterprise.

He is a practicing lawyer in Grand Island. He was born and reared in this district; served his district in the legislature in 1915; served six years as Special Assistant to three attorney generals of the United States in the Department of Justice, Washington, D. C. He has two sons in the service.

HE STANDS FOR

- Win the war and peace. Early return of our boys. All out government help to our returning soldiers.
- He wants agriculture and labor to be as well organized as capital.
- Lower interest rates to farmers and small business.
- Rural electrification. More dams for irrigation. Farm prices based on increased farming costs. Extension of social security to take in farmers and small employers.
- A sound banking system. Elimination of needless bureaus and government employees.
- Simple tax laws. Lessen taxes immediately on termination of war.

What a Prominent Republican Has to Say

An outstanding Republican in the Fourth District declared that he and a host of his friends would vote for Tom Lanigan and oppose A. L. Miller for Congress because:

- "Miller was a weak congressman from every angle."
- "He lined up with big business and reaction against the common people."
- "He did nothing for the farmer, livestock men and small business or labor."
- "He voted against a Federal Ballot for our servicemen and women."
- "He voted against legislation that would curb inflation and keep down the cost of living."
- "He voted against bills to extend rural electrification to the farmers. He knew that every farm could and should have electricity."
- "He voted against the interests of the laboring man, farmer and the little fellow."
- "He spent most of his time giving out unimportant releases to the press."
- "He released to the nation's press, the private, confidential correspondence with General MacArthur, injuring a great general in his military capacity. Behind the backs of the people and his own party, he was playing up to Willie and Dewey and silently inducing General MacArthur to leave his military post of duty and the boys fighting in the Pacific area to become Miller's private presidential candidate. He was condemned and ridiculed by his own party and press for a breach of confidence, merely to obtain free publicity."
