TODAY—570 of our boys will pay for the war the HARD WAY
 American casualties now average more than 570 for every day of war. As the conquest of Japan advances, losses will probably be higher.

THEY still die—will YOU buy?

THE BIGGEST JOB IS STILL AHEAD. BUY BIGGER BONDS!

This is a BIG farm year— Now Buy BIGGER Bonds!

- Here are 6 big reasons for buying the most you can—\$100, \$500, \$1,000—in the big 6th War Loan. War Bonds give you:
1. The best and safest investment in the world.
 2. At maturity, \$4.00 for every \$3.00 you lend.
 3. The convenience of cash—plus increase in value!
 4. Funds to replace and restore worn-out farm equipment, soil fertility, and buildings.
 5. Funds for educating your children; a nest-egg for your own security, travel, retirement.
 6. The increased purchasing power vitally needed to win the Peace.

THEY still die—will YOU buy?

WILL you lend dollars, while they give lives? The conquest of Japan will probably be the costliest war in history. Distances are enormous. The enemy is tough and fanatical. We have no reserves of supply within thousands of miles—everything must be transported. And war in the Pacific requires special equipment, not used elsewhere.

Lending money is the easiest part of the war effort; but it is no less important than fighting. One B-29 Superfortress to bomb Tokyo costs \$600,000. To train the pilot

costs \$27,000. Each torpedo costs \$12,000. Because of the vast distances, it takes four to six ships, constantly in motion, to deliver one shipload per month.

Japan things our home-front is soft. They think we'll get tired of the war and quit. Well—it's up to you. Our fighting men aren't quitters; the Japs know that. It's you they are counting on.

Let's give them the answer—in the 6th War Loan! Let's show Tokyo we can "take it," too! Buy BIGGER Bonds, and we'll finish the big job faster.

Buy Now, Mail In November Says Post Office Department

The post office department are asking the public to do their Xmas shopping early if they expect to mail them to relatives and friends. They ask that you "Shop Now, Mail In November" if you want the packages to be delivered before Christmas. On account of the lack of manpower and also shortage of transportation facilities, it is necessary that you do your Xmas shopping early.

"Extraordinary wartime conditions face us," Postmaster General Frank C. Walker said. "Unless more people buy and mail this month the Postal service cannot do its job of delivering all Christmas gifts on time. It is not pleasing to us to have to ask the American people to mail packages so far in advance of the delivery date. We do so only because it has to be done. The job is a tremendous one, but we are confident that it will be done because we know from experience that given sound reasons Americans cooperate magnificently."
