"YOUR MOST PLEASANT STOP DOWN TOWN"

**Like Father, Like Sons**

THIS IS NORTH WESTERN'S "PAL" HOLLAND HIS FIGHTING SONS ARE ALL "NORTH WESTERN" MEN, TOO!

On a 5 1/2-mile stretch of double track, just outside of Norway, Iowa, Section Foreman Arthur M. (Pal) Holland keeps himself and his crew mighty busy. Theirs is one of the important jobs of railroading. For this piece of main line, like all other "North Western" track, must be kept in perfect condition.

Significantly, "Pal" Holland has five sons who went into service, all five former "North Western" employees. And a grand lot they are! There's Cyril, in the Field Artillery, now in the Southwest Pacific. And Sergeants Leon and Arthur, both fighting in France—Leon with the Engineers, Arthur in a Gun Battalion. Creighton, too, is in France, with the Infantry.

Finally, there's Blaine, who enlisted in the Navy. A medical discharge brought him back to Norway, so once again he's a member of the "North Western" family, working as a section laborer.

When a "North Western" man steps out of his working clothes and into Uncle Sam's uniform, we admire him for it. But when five of them, all from the same family, don fighting garb, it's a story well worth telling. Naturally, we're proud of the Hollands. They're typical of legions of Americans, each fighting in his way to speed the day of total victory.
