Noted Painter Didn't Sign Or Remember His Works

The famous Anglo-American painter, John Singer Sargent, who died in 1925, neglected to sign some of his works and even forgot, years later, ever having painted them. If a painting was his, a microscope would reveal a fine red or green line painted around the white objects because, owing to an eye defect, he saw them bordered in one of these colors.

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.
You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.
