THE OLD JUDGE SAYS...

"Adding another War Bond to your collection, eh, Judge?"
"Yes, Josh, I've always looked upon buying Bonds as one of the best ways older folks like me here at home can help our fighting men overseas. For the past couple of years I've put every extra cent I had into them... not only during the War Bond drives... but on a regular basis. Of course, when there's a drive on I always try to buy an extra one or two."
"We've done the same in our family, too, Judge. We figure the more we buy... the better we equip our men... the quicker they'll finish their big job and come marching home again."
"That's the spirit, Josh. And let's be sure of one more thing. Let's be sure that they come back to the same kind of place they left. While they are away and can't express their opinions, let's not make any decisions on things that are going to concern them in years to come."
