M. H. WARNER & J. S. GILLHAM,

VOLUME IV. Editors and Proprietors.

Joaquin Miller's Fantastic Yarn. The poet was sitting before a cheerful grate fire-it was winter-with a table by his side covered with manuscripts, bottles of wine, bottles of Spanish olives, dishes of candies and a box of Albert biscuits. "I take the richest adjourned." committee to accompany the remains to his late residence in West Virginia, adjourned. to his late residence in West Virginia, Millan, Paddock, Patterson, Spencer, wines I can find," he said, suiting his action to his word by filling a large goblet with a rich red wine, "and sometimes ting. That is the proper food for poets Homer drank wine and ate olives. The large, soft ones are the best, and the longer they have been in pickle the better. Eat them slowly with crackers; they are fattening." Taking up a copy of "The Ope Fair Woman," he wrote upon the fly-leaf: "Yours, until the end of the volume." "I do not often give away a book," he said, presenting it to me, "but I want you to read this. I have been too careless in my writing heretofore. This book I began to write in a prison cell in Milan, and I finished it in sixty days. Here are pictures of The conference committee on the con-"The One Fair Woman' and "The Pink Countess," taking from the mantel photographs, and placing them in my hands. "I was in love with the Countess, eloped with her-took the husband and child along-it is always best to take the husband along when you clope the Washington monument bill were regard to the number of employes in love with the Countess, and he caused me to be arrested, and thrown in prison on the charge of kidnapping. When the officer arrested me I hadn't a word to say, and wouldn't even give him my name. I didn't want to make a noise in the newspapers, and have it to get all over the world that Joaquin Miller was in jail. The moment I was inside the prison I determined to write a book, so I sent for pens, bottles of ink, and pa per—reams of it—piles of it—immense heaps! I wrote constantly, as I could by the miserable light of the cell win dow, only stopping to eat and sleep. Or the third day I was taken before the Syndic. I carried my pens, paper, and ink into Court, and kept up the ever lasting writing, never looking up of answering a word when spoken to This proceeding rather astonished the Court, and finally the Syndic addressed me himself-a very anusual thing for a Syndic in an Italian Court to do. He
