If the CHIEF does not come up to your expectations, this week, please remember that we have all been sick, and in justice to ourselves ought not to have got out a paper at all. "The heart is willing, but the flesh was weak".

Last Friday we visited the fair grounds, work was progressing on the race track, which, when completed will be an excellent place for the sporting fraternity to try the speed of their stock. The track is so located, being on a low piece of ground, that ample opportunity will be afforded for spectators to see the sport.

Mr. McQuiklin's little girl that was bitten by a rattlesnake a short time ago, had a very narrow escape from being bitten again, the other day while out playing she stepped on a large rattlesnake, but fortunately was not bitten. The dog which was following her, however, was not so fortunate, as he received a bite on the nose.

Next Tuesday the fair commences, we hope all will take hold and help to make it one of the best ever held in the county.

The wherewith to make a good exhibition is abundant, and all that is necessary to make it a success, is a little interest on the part of the people of the county.
