New Era.

The time has come when a man may know that he will get value received for every dollar that he invests. Quacks and humbugs are soon vented and are compelled to take a back seat, or be crushed by the wheel of progress. An article must possess real merit—must be what it is represented to be. Or, like the mushroom at noon-day, it will soon wither and die in the radiance of the brilliant discoveries of modern science. O. & C.'s Cough and Diphtheria Remedy can always be relied on. It allays the irritation or stinging of the throat, renders expectoration easy and opens the secretions. It is guaranteed to do all that it is advertised to or the money refunded to the purchaser. C. H. Potter, agent. 5-18-2m

—It is worth more than its own weight in pure gold, viz: O. & C.'s Golden Cough Remedy. It cures sore throats, burns, catarrhs, eruptions and all chronic sores. Sold by C. H. Potter, 5-18-2m
