USEFUL AND BEAUTIFUL

The Nebraska Farmer, published Lincoln, Neb., starts out upon its thir volume with full vigor. Its readers all speak very highly of it, and agree that i contains much that is useful to the farmer. as well as the mechanic, or the merchant Ladies like its bright pages, as it tells them about the flowers and shrubs, or how to make all the pastry, and ten thousand things needed about the house. Its pages are Illuminated by cuts of stock of the most approved breeds, and its columns are filled with letters from the best agricultural writers in the State. We are clubbing it with our paper at a very low rate. Call at our office and examine a copy, or send stamp to its publisher for a sample.

ner the proprietor of the Nebraska City pelled to dance a jig plow manufactory. has arrived with a few carloads of plows and has purchased lots preparatory to erecting suitable buildings to carry on his extensive business. We welcome all such enterprises to our thriving town.

The legislature sat down on the bill previding for the publication of the Co... Commissioners' proceedings in each intended to give the people a full knowledge of the affairs of the county, and to make the county officials furnish them. under oath of office. But the wise legislators saw fit to kill the bill, and now it is a duty every newspaper owes to the reople, to remember for future use every man that voted against it .- Courier.

The Courier is justly indignant over this matter, and its advice in regard to remembering for future use those men who voted against the bill, is good .-When we recollect that a majority, perhaps, of our law-makers secure their election by intrigue, and whose sole ambition seems to be to bargain and sell their votes or trade them for a Federal appointment, we are not surprised that the interests of the people are ignored .-And whose fault is it? It is the fault of the people. So long as the mass of the people, who hold the power, allow their votes to be bartered and traded upon, se long will this state of affairs exist. There is men mean enough-men who actually do offer for sale the votes of their constituents which they control, to the highest bidder, and then when the proper time arrives, they will again proceed to "draw the wool" over the eyes of the "dear people" and the "dear people" are ready to be humbugged and led by the nose without any will of their own.

wherever the political trickster wills. Whenever a man sells you out ence. consign him to political damnation and do not be sold by him the second time.
