

RED CLOUD CHIEF.

CITY AND COUNTRY.

A part of last week was rather cool. With the return of spring, building commences in earnest.

The CHIEF will be enlarged somewhat, in a few weeks.

F. H. Gore of Maxomb Id. has started in the Jewellery business in the place.

Ladies, call and see our new Sun Hats. H. F. Lutz.

Miner Bros. have on hand a large lot of Boots & Shoes which are being sold at low rates.

We have just received and set up in our office, a new Gordon's "Franklin" job press. It's a beauty.

We publish a short letter from Guide Rock to day. Come again, we are always glad to hear from that lively little burg.

We understand, in a roundabout way, that the Webster Co., Agricultural Society have taken steps to have the fair grounds fenced.

Go to Miner Bros. for your dried fruits, they have on hand a large assortment of fruits of the best quality, which are all fresh and good.

OLD METAL.

Old metal for rabbit metal, for sale in any quantities at 10 cts per pound, at this office.

We called on J. S. Hope, watchmaker and Jeweller, the other day, and found him a most pleasant and agreeable gentleman. He has a nice stock of goods in his line and will give you satisfaction.

WANTS TO CLOSE OUT.

Miner Bros. are willing to close out their winter stock of clothing to make room for summer goods. Go and get bargains.

Notice:—Those who have not received from me their receipts for payment of subscription to the CHIEF, will after this date, settle with the proprietor at Red Cloud. FRANK BORIN.

We have been in Red Cloud a month now, and yet there are a number of firms doing business here, with whom we have not the slightest acquaintance. We have been so busy, in our excuse for not calling, gentlemen.

The Right Rev. Bishop Clarkson, of the Episcopal Church, will officiate next Sabbath at the M. E. Church. There will be morning and evening services. All are respectfully invited to attend.

The Mite Society held in the M. E. church last Tuesday night, was an enjoyable affair. The Society will meet again next Tuesday evening. Proceeds to procure curtains. All are cordially invited to attend.

Last week a Beer keg busted and threw John out of the lower ice cellar, and picking himself up, he was heard to mutter—"I wish they would either succeed in passing prohibition, or else send me stronger kegs."

We called on N. G. Liddy at his place of business, the other day, and found him a genial and affable gentleman with whom people like to deal. We hope to give our readers a more extended notice of his business, soon.

FOR SALE.—160 acre farm on Elm creek, three miles from Cowles. Seventy acres under cultivation, house, well, stable etc., young orchard started. Half cash, balance on time. Deed given. Cheap. Apply to M. L. Thomas, Agent.

A. J. Rennecker, proprietor of the Red Cloud Hotel has re-furnished and fixed it up for the accommodation of guests. There has been a demand for additional hotel accommodation in Red Cloud, for some time, and we hope that "Uncle Jack" may accumulate wealth in his enterprise.

It having come to our knowledge that one, Davis, has been representing himself as an agent of the CHIEF, and endeavoring to collect money due this office, we take this method to inform the public that we have no agents canvassing, and anyone representing himself as such is a fraud. Do not pay your money to such, as it will be lost to you.

The "gentle zephyrs" made things lively last Tuesday, the dust flew in clouds, which penetrated every nook and crevice, while sign-boards and all manner of loose articles, (and a good many that were not intended to be loose) perambulated the streets promiscuously. After the storm of wind had passed there was a general hunting up and identifying of property.

The Valley House hack which carries passengers to and from the trains, met with a mishap last Tuesday night and was capsized. It appears that while the driver was stowing away the passengers, and had left the team standing with the lines fastened to the brake, the horses became frightened and started to run, leaving the driver behind, there was in the hack, two ladies and four men, one of the gentlemen cut through the canvas in front and secured the lines and by this time they had reached the Brewery, and in attempting to stop the team the vehicle was capsized and one of the ladies slightly hurt.

FOR SALE.—A couple of good farms in Webster county, close to town and improved. Terms made known on application. M. L. THOMAS, Agent, Red Cloud Neb.

FARMERS' ATTENTION.

I desire to commence herding cattle about the first of May. Well prepared to give entire satisfaction. Terms, 20cts per month, per head. Calves gratis. E. W. S. HARVEY, Head of Farmer's Creek, Inavale Neb.

New goods at Mrs. Lutz's. I REED WHEAT.

I have on hand a few bushels of grass wheat, for seed, which I will sell, also some barley. Call at my farm on Elm Creek, north of Cowles. THOS. BLUNT.

GLENWOOD ITEMS.

The cold weather for the last few days has put a stop to wheat sowing. Roads are extraordinary good, and a vast amount of building is going on this spring. We extend the hand of welcome, to all who come in our midst, and still there's room for many more. The Cloverton blacksmith will move on his claim in a few days, where he intends to continue in business. Success to you Jimmy.

J. T. Milner has been quite sick for several days back, and it is hoped that he may soon recover.

Blue Hills is still improving some. If there was less sweet cider sold in that city it would improve still faster. It would be a good idea to organize a lodge of Good Templars in, or near the town, perhaps they might do some good. Who of the brethren are willing to nip the great evil in the bud. AUNT PATSEY.

LOST—Friday afternoon March 7th east of town—a fourtined fork, also Tuesday March 11th, a large woolen muffler, between Red Cloud and Cowles. I will pay for their return. D. LUTZ.

FOR SALE, 10,000 Golden Willow cuttings at \$1.50 per M. 100 bushels Japanese or mammoth Miller grass seed 50 cts. per bushel, also several large fresh milk cows. 7 miles south west of Red Cloud. D. S. HELVERN, AGENT.

The Library Magazine for March will be ready on the 25th—not dated in advance, as in the custom—the contents being mainly from the foreign publications of same date, thus giving what is newest in the literary world. \$1.00 a year, or 10 cts. a number. American Book Exchange, Publisher, N. Y.

A Literary Revolution.

Chambers's Cyclopaedia of English Literature, in the new Aome Edition, is meeting with such extraordinary sale that the publishers, to make it still more popular, have further reduced the price. Purchasers ordering before April 30th will get the eight volumes complete, in paper, for \$1.75; cloth, \$2.50; half morocco, gilt top, \$4.00; or bound in four volumes, half morocco, gilt top, for \$3.20. Sample volumes sent post-paid for 30 cts, 45 cts, 65 cts, and 90 cts. This is not only one of the choicest works in the language, but really wonderful in its low price. Specimen pages and terms to clubs will be sent free on request by the publishers, the American Book Exchange, 55 Beekman St., N. Y.
