The London Circus train, which left this city with ten elephants, had eleven on board when the car doors were opened at Atchison last Tuesday morning. A baby elephant was found lying upon the floor of the car, it having been born during the previous night. We believe this is the first case of an elephant having given birth to young while held a captive, either in this or any other country .- State Journal.

The latest effort to bring Mr. Bob. Ingersoll to a knowledge of saving truth was attempted by a Washington streetpreacher, but was entirely unsuccessful. "Mr. Ingersoll," said he, "a man of your great talents could be of such service to our cause if you would only repent and follow the Lord instead of being His emeny." "I am not His enemy," replied Ingersoll, "for if the Lord was here upon earth to day, and I'll venture I'm the only man in the city who would indorse His note for

The following is an account of a fight between three detectives and four of the famous Doc Middleton gang. The Hazen spoken of as having been shot in three places is the same who spent several days in Red Cloud a while back. We formed a tolerable intimate acquaintance with him, during his stay here, and found him to be a well informed and corteous gentleman, and it is with regret that we learn of his misfortune.
