Beside him finres an oil lump smokily. Whose dim light glooms and flickers on the Of rustling paper that with eager eyes And heart, intent he reads. Now with a smile The flaxen beautied similarint face lights up-

smile that in the smiling breeds pain Within his yearning heart, the gentle hand. That those sweet, loving words hath traced, Ever again in his protecting clasp Enfold it: Who can tell! He can but kiss With wild intensity the page that hand

High-touched. Each inc. each word read and the ill luck to displeasure the 'gentry,' At last there is no more. With swimming eves looks, and drinks her name into his soul. ctocc those lines with pencil widely ruled, sere largely sprawl big letters helplessly What do they say, those baby characters,

Loved Papa,

"Loved Papa,

"When will you come home again?

In his bine eyes, and blur the straggling In account trintly clear:

"Loved Papa,
"When will you come home again? My own dear paper" And now his head is bowed into his hands.

Into his throat and choke him. Hark! what Haif dreaming clutch their swords, and gasp-How many soon to sleep again in death?

And on that father - heart the pewlingery strikes cold as ice, though solder there's none

"My own dear papa"

For still above the bugle's thrilling breathfart pleating child voice sweetly calls. - Loxed Papa, When will you come frome again?

Arross a rough hill-side the light of dawn

All that is dickness had been hid, and there, Durk died with gove, a bullet in his heart." A crompled paper in his hand was clutched, "callest the cold lips, the rigid, hand did press.

> When will you come bome again? "My own dear paper"

Five sound about as well might the deep Our wearied souls into belief beguile. Phoearth were funed to sweetest farmony

SUNDAY.

We drank of passing peace, and should go free From Inte's dark tempest for a little while. In three mane for the proudest star of all Fire a brief hour glides with such gentle fall Post the tair bleesoms which beside it blow.
That can its powerful heart nuruffed shine.
The wide optend heavens filled with God's herself to speak a word in season.

> \*\*\* THE CROOK LADDER.

A Fairy Story From Donegal.

Several old crones were assembled in Grace McDonagh's kitchen, drinking in ?" her health and that of her new-born | "Av, it's weel I mind it." the inner room; but poor Grace was as trouble 'll be coming to this house." well pleased with the ugly, red-faced "Is it a wee elf, then, Mrs. Rooney
