WANTED.—Some black valued laborer, at the Furniture Store, Red Cloud.
From Mr. Thomas Johnson, of Harlan, we learn of a sad accident that happened in that vicinity the other day. A family by the name of Meyers, consisting of father, mother and two sons, from Harlan county, were camped on the prairie for the night, when a storm came up and lightning struck the wagon, killing Meyers and giving the two boys a terrible shock. The father was in the wagon and under it, and no one but the mother escaped unhurt, who spent a terrible night, trying to comfort her children and her husband a corpse.—Harlan Herald.

REPUBLICANS.
The Republicans of this state have at this early day of the campaign made legislative honors in their nominating conventions. Judge Kaley is the nominee for representative in Webster county. Judge H. S. Kaley is well known throughout the state as an able and influential citizen, and as a legislator no one can do else than to acknowledge him to be pre-eminently qualified. We refer to Mr. Kaley's nomination from the fact that he is a valley man and consequently in sympathy with the people of the whole valley. Give us more such men.—Columbia Sun.

WELCOMED HOME. Mr. Hadley, after an absence of three months east, Polly & Martin are present in the mill to supply the demand of patrons. With joy we say adieu to Grog Spout, but our gain is their loss. Special express, it came in from the west last Friday night at dusk, bearing two female passengers. Report says Johnnie and Bennie switched them off.—(Shame.)

MR. Z. E. PARKER. of the State Journal called during the absence of the editor last week. The Red Cloud base ball club will play the Guide Rock nine on next Friday afternoon. We learn that the wife of Mr. Wilson, living near Mr. Kent on the south side of the river, died last week. Last Sunday night a polar wave came sweeping down from the north, rendering the air cool and pleasant. The Congregationalists have commenced the erection of a large and commodious church building. Mr. W. L. Tulleys, of Ohio, brother to Dr. and Al. Tulleys, arrived last Friday evening, and is visiting with his relatives. Will D. Jenkins, editor of the Smith county (Kan.) Pioneer received the nomination for state senator, from his district. Hon. T. D. Scofield, candidate for the office of District Attorney, was in Red Cloud shaking hands with friends last week. BORN.—To Mr. & Mrs. E. C. Hawley, on Saturday the 4th inst. A daughter, weight 8lb. All are doing well as could be expected. The counties all around us are holding county fairs, but Webster county sits still and makes no effort in that direction. Why is this thusly? The editor is off attending the Senatorial convention at Hebron. The excellency of this issue of the Chief is due to the exertions of the "devil." Howard Cline, an engineer on the A. & N. R. E., fell from the top of a coal car last Monday evening, near Highland station, and was instantly killed. Johnny Short, "the handsome typ," called at this office last week. He was on his way to Osborn, Kansas, to interview Mr. Borin of the Truth Teller on the financial question. Two brothers-in-law, Nicholas Rechner and Martin Hollerich by name, who lived on a farm south of Juniata, got into a quarrel and Rechner killed Hollerich with a spade. The delegates to the senatorial convention at Hebron, went via the B. & M. to Chester, the nearest R. R. point to Hebron, and then proceeded by private conveyance. Van Slike's team ran away with the wagon one day last week and brought up against Overies & Noyes' black-smith shop. The shop was damaged considerably but the horses escaped without any serious injury. The sheriff made a trip to Blue Hill one day last week in company with one of our "legal lights," for the purpose of grasping, with the strong arm of the law, a "dog" that was unlawfully detained in that burg and which belonged in Red Cloud. Red Cloud has no dogs to spare? The following slanderous article is going the rounds of the press:

THE DELICIOUS. A woman is said to have undertaken to refrain from speaking for forty days. The report runs as follows: "She began at 9 in the morning, and at 10:30 her pulse was so feeble from exhaustion that the physicians feared she would die by noon. At 11 her heart beat but twenty-six a minute, and her respirations were hardly noticeable. Her friends here urged her to discontinue her terrible task and told her some gossip about a neighbor. On hearing it she immediately rushed from the house and going across the street, met a lady friend and talked to 6:30 at night, and is now fully restored."

AN OHMAH lady, one of the best house-wives, as well as the sunniest, happiest and contented persons in the city, recently lost her portmanteau, in which was found the following receipt: "To Make Husbands Happy.—One wife, with genuine affection, true patience and self-sacrifice. Stir with a kiss occasionally and add a grain of common sense in the management of daily trifles. Put a teaspoonful of real religion into every day life. Avoid fretting and chafing, as it curdles and destroys the cheese. Serve at breakfast and dinner in charming attire, with a smile Supreme, and the result will be a wife with a rainbow always over her head and heaven in her heart.—making her home a place that no husband would ever leave to go to the 'Red Cloud' Hotel."

BREAD, BISCUIT, CAKES and FEEDINGS, going through the process of baking, change all the substance of a loaf. Monroe Taylor's Gold Medal Soda or Saleratus into carbonic acid gas, which then passes away, so that the loaf is not a particle of it remaining in it. In which it is used, thereby making it perfectly wholesome and healthy, and peculiarly adapted to weak stomachs and dyspeptic persons. Green's Pure Baking Powder. Green's Pure Baking Powder.

THE NAPONES BANNER. Several cases of the measles are reported in Bloomington. There is talk of a libel suit between the Napones Banner and the Bloomington Argus. Alma, Harlan county, is said to be the neatest and cleanest town in the valley. The recent rains have made a decided improvement in the corn crop throughout the Valley. The people of Harlan county are clamoring for an investigation of the books of that county; they want to know how much the county is in debt. The Herald is the name of a new paper just started in Alma, Harlan County, like from the ashes of the defunct Alma Standard. The Napones Banner says that Dan Ashby had a mule a few weeks ago, and by way of rillente he called that mule Garfield. The result was that the mule died. It is unsafe to trifle with such men, and great names.

THE HARLAN COUNTY SCHOOLS. It is not necessary to give special cases of destitution to demonstrate the necessity of aid to some families now in this county. There are such and some general plan must be adopted to aid them. Let our Commissioners act promptly and submit their plan to the people. The charity of neighbors cannot be relied on very long with a riot of the supply is short.
