George Bent, Pastor.

The following touching effusion, written on a postal card, we received last week. We follow copy as near as is possible in reproducing it. Editor Cheif

Dear sir

mut not take the trouble to Send me any more papers for if you do they will not ! aken from the office. As I desire no such indecent literature in my house, as i find in Your issue of the 23. Yours

We have wept over the above even as Rachel wept for her first born. The thought that we, though unintentionally, have been guilty of writing that which has brought the blush shame to the downy cheeks of the quisite being who does us the honor t address a postal card to us, has stirre our sympathetic heart to its very depth and has opened up the fountain tears, and we weep and refuse to be comforted. When we reflect that wise That those fellows who are too stin- men have said that persons possessed best results during the winter season to take a county paper but beg, of real refinement are slow to take corrow or steel the paper of their offence, and that only the coarse and dough won't work just right. The best vulgar who ape the ways of the intelli-That some women do not stay at gent and refined, with a retiring modhome enough for their children to be esty that would gracefully befit a come sufficiently acquainted with mule, hasten to take offence at that them to recognize them when they which does not offend the most fastidious possessed of brains and true re-That when a man gets in debt at a finement, then we make due allowstore or other business house he will ance for poor weak human nature. turn the cold shoulder to the man who and read the postal card again, and has accommodated him, and take his weep afresh, and clothe ourself in sackcloth and ashes and buffet ourself against the wall and claw our hair and Nebraska. wander off into the wilderness and

A man posessed of such a degree of modesty, such a maidenly reserve and exquisitely delicate organization as to That a man will stop his paper for become offended every time he happens onto an article in a newspaper way form himself into a committee of that does not suit his fancy, is far too one to continually bore his more liber- nice and good to live in this wicked will never be appreciated outside the That so many parents allow their gates of paradise, and he should fold children to grow up in ignorance and his little hands across his little stom-

But to return to the postal card Anyone can see that those lines were never written by an ordinary mortal, they are the words of inspiration (or nsanity,) and the sentiment and pathos contained therein is enough to draw tears from a heart of stone. We have shed tears enough over those lines to float a Mississippi steamboat, and we are not done yet, for we have had the postal card framed and hung | Undershirts. up ever our desk, and whenever we The enterprising firm of Jones & get time we weep over it and if we fagee, lumber dealers, have been madon't get time we weep anyway, for the thought that we have shocked the modesty of one pure being and caused

The following true and sensible remarks we clip from an exchange, and request the readers of the CHIEF to pender over it and act accordingly. Readers of newspapers should not nease amount of coal, lime, doors, forzet that without advertisements the ash, blinds, windows and other ap- cost of the papers they read would be prices of the lumber trade; of more than double the present prices. This is sufficient argument why all readers should patronize those who ock in the valley. The lamber yard advertize, but it is strengthened by the oper, which covers a quarter block: fact that advertisers vie with each 112 Liberty Street. ill soon be inclosed by a good picket other in competition for trade, which o. The sheek &c., are so arranged advertise, and the result is the to the public. As a matter of juwith the article, as it is, when prop- to all concerned, we hope our ready protected from the weather, ers will remember our advertisers
