and to decide the matter Plueler and and seek among the spurs of old snowhalf a dozen others were arrested for capped Ouray, lifting his hoary an infringement of the law. Backed head in the distance 15,000 feet above Books & Stationery, by the other liquor dealers of the city, the sea. Tlueler's case was made a test case. It came up for trial at the last session of the district court before Judge Savage. There were two principal questions involved. First as to whether the law was constitutional, and second, whether an unexpired license under the old law did not protect him from prosecution. Judge Savage decided both of these questions adjury returned a verdict accordingly. We as matter of form a motion for a new trial was made by Gen. Cowin and overruled by Judge Savage in order that the case might get immediately into the supreme court. The matter was argued before the suand Gen. Cowin appearing for the plaintiff in error, and Gen. Easta-
