behind it, ah,

as it receded i

She was a little Irish maid,
With light brown hair and eyes of gray,
And she had left her native shore.
And journeyed miles and miles away
Across the occan, to the land
Where waves the banner of the free, And on her face a shadow lay.

For sick at heart for home was she.

When from the city's dust and heat, And ceaseless noise, they took her where The birds were singing in the trees, And flower fragrance filled the air, ad there their leaf-crowned heads uprais

To greet the prefty gray-eyed lass, And grew among the waving grass. Why, here are daisies!" glad she cried, And with bands clasped sank on her knees. Now God be praised, who cast and west

Scatte's such lovely things as these! Around my mother's cabin door n dear old Ireland they grow. With hearts of gold, and siender leaves As white as newly-fallen snow." Then up she sprang with smilling lips,

This land's not half so strange," she said, "Since I have found the daines here." -Margaret Entage, in Harper's Weekly.
