M. L. THOMAS, . . EDITOR. THURSDAY, AUG. 25, 1881.

THE Republican State Central Committee is called to meet at the Comof August, at 2 o'clock p. m.

THE latest news from the president is very discouraging, as it is apparent that he is growing weaker day by day. Dr. Townsend, health officer of the District of Columbia thinks that Garfield will not live longer than until next Sunday or Monday.

AN INVESTIGATION.

It seems from the above that it is not unlawful for the commissioners of mittee to examine into the affairs of believe that something is wrong. If tain, where we rest our weary limbs there was any doubt in the minds of and dream of the triumples of the the people of Webster county that the coming day. With the morning dawn tion because they knew there had are in the saddle, our eyes turned been crookedness, the reading of the above will remove that doubt, especially when we take into consideration feet high. Winding our way upward vestigation of the affairs of this county flowers—their beauties are beyond agreed to pay the entire expense of description, blooming year by year said investigation in case no crooked- for centuries, seen only by the eye of ness was discovered, provided the the great Creator. Pure mountain the investigators a sum equal to the amount the people of the county had that cover the mountain-side from been defrauded out of in the last eight years by dishonest and incompetent county officials. If there is a citizen from the memory. The gilding of the actions of some of the county of the rising sun falling on the pure officers for the last six months, and does not believe that there has been
