system of nominating candidates for taking the average rather than either citizens to turn out to the caucus and letter and spirit of that promise.

Mr. C. C. Coon presented the CHIEF with two melons, a watermelon and a musk melon, last Tuesday that were the largest and finest flavored melons that we have tasted this season. The boys and men for two or three blocks around have learned to flock to the CHIEF office when they see Mr. Coon drive up to our door during watermelon season, and they are welcome.

Some are so uncharitable as to find fault with Prof., Funk for riding into shoulders of Mr. Kenney. We do not business qualifications, see that the circumstance is in any way discreditable to the Prof. Christ once rode into Jerusalem on the back of an ass and if Mr. Funk sees fit to

materially reduce the tax levy every other year and it has always happened that just prior to an election the cry has gone out that "taxes will not be half so high in the future as they were last year." Hundreds of people in this with the management of county us to go and take a drink. affairs will bear us out in the above The Weir Harrow tares up the assertion, it is absolutely true. We, and others have waited for that biennial report, and it came last week. The Argus has the honor? of repeating that old sterotyped falsehood with which the old settlers have all become familiar years ago. The thick headed donkey of the Argus solemnly asks "how did the county government reduce the county levy from 53 mills to 23 mills." They did it with their little politics; ask us something hard.

They did it because an election is approaching and because it has always because we never like to seem particbeen their policy to so reduce the levy the year of an election, and they will not deny it, the proof that such is the case is too handy to admit of such a denial, and tax receipts, unlike the editor of the Argus, tell no lies. It is not, however, our intention to

discuss this matter at the present time, neither is it necessary, the people are getting their eyes open to the true state of affairs, and will rise as one man this fall and throw off the incubus that has weighed them down for a number of years. They are be-Turn out to the cancus Saturday ginning to find out that the cry of afternoon at 2 o'clock and help to "low taxes," "reduced levy" &c., has elect good men to represent you at always been and is simply a bait thrown out to catch their votes at the We have received, with the compli- fall election, that it is a delusion and a ney, our esteemed contemporary, tendency to give the "name a bad ments of E. We are at times amused at the ignorance of some of our friends who believe, or profess to believe, that the pathway of an editor is strewn with been, on the whole, a little improve- roses instead of sand-burs, and that he ment during the last week, we fear has nothing to do from morning until that his strength is gradually giving night but read exchanges and rake in

make the best of what we deem an In the first place we rise early in evil, and elect as good men as possible the morning and proceed to business. to represent the people at the conven. We do most of our writing in the morning when our brain is clear. We believe that the little brains with which the Creator has saw fit to endow us is always clearer in the morning, hence our custom of writing a couple of columns of matter early in

When that is done we generally set up a column or two of matter for the paper, just to keep our hand in. By this time it is 10 o'clock, and the reguiar business of the day begins.

We are always glad when the busi ness of the day commences, it gives the Red Cloud Schools again on the us a chance to display our wonderful And then there are other reasons. A friend comes in and asks us to

go and take "suthin." We go, (out of respect for the ride into the principalship of the Red friend's feelings.) But we indulge Cloud schools in a similar way we do sparingly. We have work to do, and not see that he is to be censured we proceed to do it until we see other back to Cowles. people going to dinner.

We go to dinner too. Not because For the last eight years it has been we have anything to eat at home, but the policy of the county officers to because it is fashionable to go to meals at stated hours. After wasting fifteen minutes at the farce of dinner we return to business

and go at it with a will. A German friend comes in to pay county who have been conversant has been gone through with he asks house, this is her first term.
