Prepare your fire guards.  
The building boom still continues.  
Subscribe for the CHIEF and keep  
posted on county news.

The Riverboat Eagle has passed in its  
checks and is no more.  
A number of our citizens "took in"  
the state fair last week.

Mr. Spanogle's little boy fell from a  
box and broke his arm last Monday  
evening.  
Two second hand wagons for sale  
cheap.  
Extra copies of the CHIEF can be  
had at the office at 5 cents apiece.

A herd of ponies from the west  
was offered for sale on the streets last  
Monday.  
Several of our citizens are in atten-  
dance at the District Fair at Hastings  
this week.

Our car load of Studebaker Wagons,  
are selling rapidly. Call soon.  
There will be preaching next Sab-  
bath morning in the Methodist church  
at the usual hour.

Rev. Yeiser will preach at the Con-  
gregational church next Sabbath,  
morning and evening.  
We had the pleasure of meeting  
Mr. S. W. Switzer of the Bloomington  
Land Office on the train last Thurs-  
day.

We have only a few of them 5 dol-  
lar shot guns left, they are just the  
thing to use about the farm.  
All those who have signed the  
Petition for a Grand Army Post,  
will meet for muster at Fearn's  
hall on the 26th, at 7.30 p. m.

On the 15th of the present month  
in the forenoon we had the pleas-  
ure (?) of witnessing a snow storm in  
the eastern part of the State.  
A. S. Marsh has just received an  
immense stock of goods direct from  
the east and it will pay you to call  
at his store and examine them.

Remember that we carry only first  
class goods. We guarantee them to be  
just as we represent them, if not so,  
your money will be returned to you.  
It might not be out of place to offer  
a word of warning to the bus drivers  
of this place. Reckless driving seems  
to be the rule instead of the excep-  
tion.

We have sold and put up during  
the past 10 days, 4 Eclipse Wind  
Mills. Farmers will not buy any  
other kind, they lead the world.  
The ladies of the Episcopal church  
will meet at the residence of Mrs. E.  
C. VanAuken on Thursday afternoon  
and evening, friends of the society are  
invited to be present.

V. O. Martin, the B. & M. agent at  
this place carried over a thousand  
dollars in silver from the depot to the  
bank last Monday on his back. It was  
a pretty heavy load to carry so far.

Red Willow county produced this  
year a cucumber five feet long and  
a beet that weighed five pounds; so says  
an exchange. We can readily believe  
the best story, but the cucumber—  
well it's a little too long.

The weather can change more sud-  
den and oftener in this state than in  
any other, we have lived in 106° in  
the shade one day and cold enough  
the next to render an overcoat and a  
good fire necessary for comfort, is the  
rule.

We had the pleasure of meeting our  
old Plattsmouth friend, Wm. Stadel-  
man, last Monday. He was on his way  
home from Chicago whether he had  
gone to purchase an immense  
stock of goods for his three stores up  
the valley.

We have heard of eleven aspirants  
for the vacant place in the legislature  
to be filled from this county. Of  
course it will be understood that from  
the small number of candidates very  
few of the back precincts have yet  
been heard from.

Mrs. Parkes, a lady over 70 years  
of age has just completed a quilt  
which contains 4,375 pieces. Any one  
acquainted with the tedious labor of  
quilt piecing, can form an idea of  
the magnitude of the task accomplish-  
ed by this aged lady.

The Red Cloud Historic Association  
will give their fourth dramatic  
entertainment at the court house  
Friday evening, Sept. 23, 1881, when  
the beautiful drama, "Better than  
Gold," will be presented. The people  
of Red Cloud may expect a very  
interesting and profitable evening and  
we hope they will not miss the Asso-  
ciation's entertainment.

# A Nation's Grief.

President Garfield died at Long  
Branch at 10:30 p. m., Monday Sep-  
tember 19th, 1881. The Nation is  
bowed down with grief.

FOUND—Between the post-office  
and the depot, a sleeve button. The  
owner can get the same by calling at  
the CHIEF office, describing property  
and paying charges.

STOVES! STOVES!!  
Every body gives us credit for bring-  
ing the finest and best assortment of  
Stoves ever brought to this place.  
We sell them cheap 100, and do not  
propose to be undersold.

Friday we had a Nebraska zephyr,  
but the people continued to arrive,  
until the time of the sham battle when  
it was said there were 25,000 on the  
ground. The affairs of the sham fight  
was finely ordered, and the program  
was carried out, but it was too nice to  
look anything like the real. What  
looked strange, was that amid the in-  
cessant firing, no one was killed or  
wounded. They did better last year  
at Central City, there were killed and  
wounded, left on the field, and they  
were carried off and cared for by the  
musicians. Strange to say it added  
much to the enjoyment of the scene.

Saturday we came back as far as  
Crete and stayed until Monday when  
Mrs. Robert Mitchell's mother Mrs.  
Cary. A student of the college, Miss  
Flora Cary, a beautiful young lady of  
sixteen, showed us the college and the  
other lions of the place. The college  
building are beautifully situated, and  
capacious. The people of Crete are  
very much interested in education. It  
is a town that is pleasant to live  
in. On our way home from that place  
we saw many small but thriving  
looking towns, but none that looks  
quite as well to our eyes as Red  
Cloud. BETSEY.

We are the leaders in this line.  
Our work is warranted, and we sell  
as cheap as good work and good  
goods will admit of our doing.  
BETSEY & PERKINS.

We were shown a sample of sorghum  
molasses last Tuesday made by  
O. P. Rorick & Co., that was a little  
ahead of anything in that line that we  
have seen in this country. It was un-  
commonly clear for sorghum and of  
splendid flavor. The firm are pre-  
pared to fill orders for sorghum on  
short notice.

On Monday of last week a stock  
train was wrecked at Shelton on the  
U. P. R. R. An obstruction had been  
placed on the track for the purpose  
of wrecking the passenger train but the  
stock train from some cause came  
along first and the engine and a num-  
ber of cars were derailed. The engi-  
neer had one arm broken, the fireman  
was killed and a brakeman was in-  
jured. A number of cattle were also  
killed and many turned loose upon  
the prairie. Who placed the obstruction  
upon the track is not known.

The State fair has closed, leaving an  
impression with many of those who  
attended that it was not what it should  
have been. The people at large look  
upon the Nebraska State Fair for the  
year 1881 as a gigantic failure, and  
they are about right. The owners of  
fast horses who were in attendance,  
especially those who won the stakes,  
perhaps think it was a success, but  
the agricultural classes for whose  
benefit the fair is supposed to be con-  
ducted, look at it in a different light.  
Fewer horse races and more and bet-  
ter exhibits of agricultural products  
with corresponding premiums, would  
come nearer making the State fair  
what it should be.

# VALLEY NOTES.

There were three births in one  
night in the little town of Superior  
last week.

The Franklin county fair has been  
postponed till the 27th of the present  
month.

Potatoes are worth \$1.25 per bushel  
at Culbertson.

Men and teams are constantly  
going west to work on the R. & M.  
extension between Culbertson and  
Denver.

The contract for the Bloomington  
bridge has been let.

A reward of \$300 is offered for Jos.  
Watson of Harlan county, wanted for  
horse-stealing.

All kinds of vegetables are said to  
be scarce in Bloomington.

Zediker & Robertson of the Rep.  
Valley Echo have purchased the good  
will and subscription list of the River-  
ton Eagle.

The Franklin Echo says that 150  
head of Colorado sheep passed down  
the river, Tuesday, destined for Web-  
ster county.

Preston Zediker, while plowing  
near Napoleon drove so close to a 30  
foot well that one of the horses slipped  
in stern form and Mr. Zediker  
whipped out his knife and cut the  
harness to save the other horse.  
Strange to say the horse that fell to  
the bottom of the 30 foot well was  
rescued after several hours work.

Bloomington is to have a bridge,  
and Gibbs & Manning of Republican  
City, have the contract. It is to be  
of wood and four span long, and will  
cost the Bloomington and Oak Grove  
precincts \$2,750. The people on the  
south side of the river will rejoice as it  
will obviate the necessity of  
fording the river in cold weather.—  
Echo.

A gentleman by the name of Bentley  
is making arrangements to put  
a cheese factory on Thompson creek  
six miles north of Riverton. He has  
120 cows and over 300 head of cattle  
all told. This is a step in the right  
direction and every farmer in the  
community should lend a helping  
hand. It means wealth and pros-  
perity. Success to Mr. Bentley.—  
Echo.

You will probably want a Store  
prexy soon. Please bear in mind  
that our stock of Stoves is very com-  
plete and of the best grade style.  
We can please you in whatever style  
or price you may want.
