tion of any co or Bowels, yo by using the they have t relieving the FROM OUR OWN CORRESPONDENT.

The advent in our midst of iong absent faces, reminds us of the departure of dog days, and the oncoming of the time of the sere and yellow leaf. The work of preparation for the winter months has begun in good the tramp. The city, from present indications, will soon be filled with winter residents and sight-seers. The Hotels are being renovated, and the boarding houses are in the hands of artisans, skilled in the mysteries of

wall paper, paint and white-wash. With much of mystery and little real satisfaction, the people have watched the Bulletins from the sick room, with a concious belief that the reading within the lines disclosed what at last Dr. Bliss frankly admits: a poisoning of the blood with which the patient sufferer at Elberon has been having a hard fight for weeks. Eager as was the anxiety of the residents of the Capital to hear hourly never-never shine and bathe thy the condition of the President, while loathsome carcase in the reptile's the sufferer was domiciled at the slime far in the torrid zone-upon White House, the desire is intensified some cactus bed stretch thy cursed now that he is far away by the sea. form too soft for thy infamous head It is the one absorbing thought, the and hear the dread summons in hislast breathing prayer of the evening, sing whispers tell how your damned and the first expressed desire of the soel is foremost on the road to hell breaking morn, that God would spare let the fierce light from demons' firey
