The Omaha Ree of Monday gives full particulars of one of the worst storms that ever was known in the United States. We condense the fol-

lowing from the Bee's report. The cyclone struck Grinnell, Iowa. about 9 o'clock Saturday evening, 25 persons were killed and about 75 wounded. A freight train was blown from the track and 33 cars mashed to pieces. About seventy-five houses, including some of the finest residences in the town were entirely destroyed

Both of the colleges were demolished At the little town of Malcolm seven miles east of Grinnell many houses were blown down and seven persons killed. A number of farm houses in We were shown a sample of rye the vicinity were destroyed and

Near the town of Ames a farm house was blown down and a family of Rev. Geo. O. Yeiser will, by Divine five persons were carried away and none of them have been found.

At Mt. Pleasant a number of freight cars were blown from the track and the depot and several other buildings unroofed. umbus, the Sunday School Convention The storms are reported to have been the most terriffic ever witnessed.

Fowls had their feathers entirely stripped off and trees were stripped of their bark, and the earth appeared as if beaten and lashed with indiscribable fury. Several Kansas towns were also contains nearly 12 sections.

At Sedelia, Mo., the German Catholic Church was blown down. They This district is south of No. 13
