M. L. THOWAS, . . EDITOR THURSDAY, JULY 20, 1882.

The Republican electors of the Second Congressional District of Nebraska, are hereby called to send delegates from the several counties, to meet in congressional district convention at Hastings. Nebraska, Wednesday, September 27th, 1822 at 10 o'clock a m., for the purpose of placing in nomination a candidate for member of Congress from said Second congressional district, and to transact such other luxings as may properly come before the convention.

vention.

The several counties are entitled to representation in the state convention as follows, based upon the vote cast for Isaac Powers, Jr., in 1831 for regent of the State University; Giving one delegate to each one hundred and fifty (150) votes, and one delegate for the fraction of seventy-five (75) votes or over, also one delegate at large for each county.

> A congress of Dunkards, a religious sect found principelly in Pennsylvania, has greatly stirred up the British press. The wise editors over there came to the conclusion that "Dunkard" was a telegraphic error for "drunkard," and they printed it so and then set themselves to the task of evolving from their inner consciousness what the congress of drunkards was convened for. They finally concluded that it was a temperance dodge; that the probibitionists had got the congress together for the purpose of exhibiting it as an awful ex-
