vocacy of the same justice being extenold or over who served in the the Other papers are slow to speak to indorse or approve. But that is progress. For so long has it been the fashion to condemn, that thence now shows reflection and to ection will This is not much les to go a silent subject. It is a riving question and a growing issue. There has been in the past few years, strange and unacpublic mer and the main body of the public put toward the Union soldiers. pride and American lover of inteer soldier, who risked his and the support of his own and leading newspapers, virtually classing the surviving Union soldiers as an importunate army of beggars storming greedily ot the gates of the National Treasury. There has been inclina-

tion, on the part of the finical reformer and the finical press, who are opposed to any sort either of governmental enterprise or governmental gratitude, to class the proposition to render tardy justice to the Union soldier as a part of the plan and spoil of the organized crusade for grabs from the National Treasury. And even the leading politicians and papers, which advo cate any and every sort of an appropiation of public money, if they or their localities get a share of it-and who are willing to build million dollar building all over the country -or impracticable canals which would dry in summer and frozen up in winter-or to improve creeks as highways of commerce, which could be made highways only by filling them up and macadamizing them-are opposed to pensions for soldiers, and afraid it will hurt them or

their parties to favor or allow them.

remarkable spectacle. While it has gone on, the survivors of the army have been stung first by indifference mendicants-as made by some corrupt corrupt public men, timid newspaper fessions of superior morality-they his grief in his own heart.
