THE CHIEF. M. L. THOMAS, Editor. FRIDAY, MAY 11, 1883.

In these times of quick medicine advertisements everywhere, it is truly gratifying to find one remedy that is worthy of praise and which really does as recommended.

Merhart & Fulton's is the largest Hardware House in the Republican Valley. They always carry a large stock of goods, in addition to which they have received a car load of Golden and Omaha Barls Wire.

John Babcock is reported as having said that he would rather be ten years in Lincoln than to stay over night in Hastings. He doesn't like this city's manner of treating murderers and does not desire to locate here.

"Go West, young man"—and take enough with you to help you back again.—Eastern Paper. Yes, young man; if you expect to find lumps of gold on the prairie, or by your eastern smartness to beat us poor innocent western folks out of what we have, come well heeled enough to take you back; and beware of the confidence artists who are lying in wait for fresh gudgeons, all the time.
