The after a leastly length book been whole faces about the Stinking Water and in at the Paragonale, It was land entires soon to be as follows: A who had engaged company, for Heatings and Harvard including one evening. Next time they will us for the most responsible men of total matters more doubly before parts, on the history that the most

oten any positively that James Laird has not interest in their applications but each of them propose to encaply with the law stal bond his chains him There would be me ground for supposing Mr. Laird had any interest in the matter were it and that miscane duct is clurged against the officers of the land office by which there parties were preterred to more descret tiors. These officers being friends of Mr. Laird and arhibiting a guilty deeire to favor the Hastings parties, justifire the Herald and like in the warph cion of Mr. Laint's complicity. But it transpires that there has been no misenduct on the part of the bend when officers. Of all the applications stude

at the land office on the fire so that there could be room for partiality. 4 possible proof on this topic and erate Mr. Laird entirely from eve suspicion of interference. The v trouble about the Stinking Water tries seems to have a mistake of Page Francis, the county surveyor of Hitch cock county, who made an errores survey, by means of which the Car Moore before mentioned, George Hulburt applied for land which, when the rino backs which he wishes to dispose proved to be other pieces of land than of. They can be seen at Watson's they desired, while some of these Hastings men got the tracts they intended to apply for. Trusting to the friendship of these Hastings men for Laint, Moore and Hulburt seem to bare thought that by attacking Lated that he would induce his friends to reinquish their entries us order to shield him from calumny. In this they mis took the character of Mr. Laird. The charges against Mr. Laint were sug Moore- Mr. Laird's reputation backed up by the affidavia of this spice man, Moore, and the affidance of A pair of beautiful etruscan gold twenty others, including the & street

> talk or communication with Mr Laird relative to the Stinking Water entries. There are other minor charges which are as completely disproved. The Bee accesses Mr. Laird of meking to get hold of a township of land in mortisern Nebruska in 1881., The eneverse general demonstrates that this Me Laind was from Wyoming Tegritory. Mr. Laint is also charged with wrong doing in the organization of Phalas county- General Dillworth prorus coclusively that Mr. Laind was never in Pheips county until & ur years after its organization; that he person to
