There is absolutely no cost to our customers. No fees for abstract title; no fees for recording mortgages; no fees for taking acknowledgments; no loans paid in checks or drafts upon which the borrower must pay a discount in order to get the money, but all loans paid in actual cash, over our counters without any deduction whatever.

In placing our loans there is no tedious delay in submitting applications to eastern parties, as our facilities are such that we can close all good loans on short notice.

We are prepared to fill desirable loans at nine per cent. straight, with no charge of any nature whatever. All payments of interest and principal may be made at our bank, and will be sent to the parties free of charge and interest notes returned to our customers.

As to our promptness and fair dealing we refer to those with whom we have placed loans (numbering at present nearly six hundred.) Call at our office, or address us through the mail.

25-2 GEO. O. YEISER, County Judge.

THE RED CLOUD CHIEF.

FRIDAY, FEB. 8, 1884.

AMBOY.

As we are glad to see the CHIEF give so many interesting items from most all parts of the county, we will again blow a few breezes.

Although the weather was not favorable, quite a number were present at Sabbath school. We have a good one. Leap year is all the boom. The boys can't go any place with the girls, and some are getting bashful.

Mr. George Ball visited the school a short time on Wednesday.

The excitement about Miss Bertie Ball's wound with a crochet needle was not as bad as represented. She is now on her way rejoicing.

Miss Walker was very agreeably surprised on Wednesday night. She was on her way to spelling school and was taken home, where she found quite a number of young folks having a party for her benefit.

As soon as the moon gets bright and the ice gets solid again, the people of Red Cloud are invited to come here on their skates.

There is only one more piece of corn to gather in this section, and it will soon be no more.
Mr. Baker is having a well bored and will move to his new home in a few days.
Don't forget Sunday school next Sunday. WIND.

PLEASANT HILL.

Mr. Frank Cockrell is on the sick list.
We want Mr. H. B. to tell us how much of this country Guide Rock covers.

There was a dance at Amboy one night last week. John Relf furnished the music.

Mr. Sam Miller has his farm fenced and is consequently happy.

The Rasser Bros., of Amboy, have one and one-half sections of land fenced and divided into farm and pasture. The boys are well "heeled." By the way, and for the benefit of Miss Courtright, I will say that John is a bachelor of long standing, and it is our opinion that she will court wrong if she does not try to capture him.

The Amboy bride has no objection to riding horseback to the "squire's" if the other fellow will get a horse; but to have the courting to do, and pop the question, and then have to ride a blind plug or a Texas pony—she says she'll never do it. Don't blame her.

Mrs. S. W. Polly is on the war path. She is looking for "Wind," and by her irate appearance if she finds him he will cease to blow. That is our opinion.

Mr. Baker, of Iowa, is building a house on the piece of land purchased of Sam Miller last fall, and will soon move thereon.

The board of directors in district No. 15 decided that the teacher should not punish by whipping the pupils. Now, Mr. Board, how is she to manage those fellows who are too young to expel, and who draw knives on her and carry revolvers strapped on their backs? We'll bet a punched nickel that if we were teacher we would pound the stuffing out of all of them if they tried to come those "rackets" on us.

F. N. Richardson has the smallest cow and calf in Webster county. The cow is less than eighteen months old, and weighs 400 pounds, and the calf is not quite as heavy as Jim Miner's baby.

The Hon. W. A. McKeighan attended the meeting of the farmers' alliance at Kearney last week, and reported a large attendance and a good time.

Have you been gilt edged?
If these scribbles do not find their way to the waste basket we will write some more. EXPONDER.
