### THE WORLD AT LARGE.

A Summary of the Daily News.

#### CONGRESSIONAL.

THE Senate met on December 1 at noon and was promptly called to order. A comnittee was appointed to wait on the Presi- shoeting. dent and inform him that the Senate was ready to receive his message. The credentials of Senator Sheffield to fill the vacancy caused by the death of Senator Anthony, of means of a rope made of bleets and blan-Rhode Island, were presented. Several bills kets, and resolutions were presented when the message was received, after which Senator Alnoon, and a committee appointed to notify the Senate and the President that the body received, after the reading of which the

duced a preamble and resolutions directing an inquiry into the conduct of United States Marshal Wright, of the Southern District of Ohio, for employing and arming deputy Mar-shals in Cincinnati at the October election, many of whom were "notorious criminals and men known to have vicious and brutal habits," etc. A lively debate followed and the resolution was adopted without division. The Inter-State Commerce bill was then taken up and Mr. Reagan offered his substitute known as the Reagan bill, and addressed the House until adjournment.

In the Senate on the 3d Mr. McPherson for an investigation into the leased land in the Indian Territory was taken up, discussed and agreed to. Bills were introduced, and the Senate adjourned. In the House the Senate amendments to the House bill for-feiting uncarned land-grants of the Atlantic & Pacific Railroad were non-concurred in The bill making a temporary appropriation for the naval service was passed. The Inter-State Commerce bill was then discussed

In the Senate on the 4th Mr Hill introduced a resolution declaring it inexpedient should be a revision and readjustment to discontinue the coinage of silver dollars rates. There seemed to be great total and gave notice that he would call it up at an early day. The Senate soon went into executive session and then adjourned... In the House Mr. Morrison introduced a bill to apply any surplus in the Treasury, above a certain amount, to the redemption of outstanding bonds. Other bills were introduced,

By the decree of the United States Court sively supplied with foreign cases, the treasury of Antelope County will foreign wolk for good more tan a be strengthened with \$43,155.18.

TYLEE CEMMINOS lately left Omaha under circumstances that caused many credi-

tors to mourn. AT Osceola on Thanksgiving night a tough character maned Smith, who had been committed to fall for threatening his got drunk. Soon after dark he went to his house with a rifle and opening the door and seeing his wife by the stove, shot her to the scribed by a boy poet: left breast, inflicting a mortal wound. The brute immediately ran down to the river and hid in the weeds, intending, as he said, when he heard that his wife was dead to kill himself. He was found soon after and taken toward the jail by the Sheriff. On the way a mob attempted to take him from the officer but he was todged in jail. The making attempts to break down the door, when Smith knowing what was meant by the noise, cut his throat with a knife which he had taken to his cell. His wound, how-

ever, was not fatal. A FRAIL woman, Nettle Howard, was lately fatally burned at Omaha, and it was reported at the time by the accidental upsetting of a lamp. Before the girl died she regained consciousness and accused a man named Thompson and a woman called with oil and setting her on fire. The mo-

tive for the deed was revenge. AT North Platte the other night, D. W. Lozier, the night clerk at the Railroad Hotel, was found in the dining room tied and gagged, and the house had been robbed of about \$200. One Hart was arrested and dentified by Lozier as the man who robbed you to keep a good fire. Mim. At the hearing Hart proved an alibi and was discharged, and a warrant issued Brown to his friend, who, fresh from

pacts to a quack doctor who skipped as wants putting up. soon as he heard of the gathering storm.

He shingle conveyed the intelligence that e was ready to cure all the ills that flesh is to. He inveigled a cancer victim, and sheed him to give a note and mortgage \$150 on the promise of a complete cure.
