Magnetization of Pocket Watches.

In the earlier dynamos, considerable free magnetism existed in the vicin tv of showing a waste of energy due mainly to inelli ient a: matures. A fine watch does join the paved and cry, "lets throttle the brought into the vicinity of one of third," old alcohol.

D. LUTZ. bro ght into the vicinity of one of these machines was certain to become magnetical more or less: in many in-

stances, valuable watches have seen utterly ruined in this way. The evil was the invention of the well-known electrician, Mr. Hiram S. Maxim.

a holder which revolved in every possi- Red Clover Tonic, which is good for all ble direction in hori-ontal and vertical blood disorders, torpid liver costiveness the face of a powerful electro magnet. At the rame time it and sick headache. Sure cure for electro-magnet until it was nally practi ally removed from its influence. However strong the magneti-m of the watch when placed in the machine, when taken out of it no trace of magnetism could be found, and the watch. although it refused to go when paced characteristic energy, are envided by in the machine, would generall, be

nother method devised about the same time, for accomplishing the same result, onsisted in placing the watch to be demagnetized in a large helix with a rap dly a ternating current o' indicate health-destroying virus in the e e tricity, the current being very strong a first and then gradually dim nished to nothing. This process was found to very effectually demagnetice a watch. In the more recent and mor. perfect dynamo e'e trie machin's the magnetism smore completely confined within the machine i self, so that the watch, un'ess brought into very less proximity to the machines, would not wanted. Leave your name and the be liable to become magnetized to a name of the paper wanted at the post degree to in ure its operation. But should the wearer o' a very fin watch be so unfortunate as to injure it in this way, he may rea tily demagneti e it himself by means of the process last

Some of our prominent watchmakers. in view of the liability of watches to besome in, wed from this rause, have de vised watches which are in apaple of being magnetized to an in urious degree, and may therefore be used with impunity by electric ans and others who are necessarily brought into close proximity with powerful dynamo elec-tric machines.—Scientific American.

Red Cloud Chief.

THE CHICAGO WEEKLY NEWS is now an eight page, sixty-four-column paper. It is the largest "dollar weekly" in America. Its eight broad, long pages present each week a mass of choicely selected matter, containing much to suit each of the verying tastes of the family circle. First and foremost it gives ALL THE NEWS, complete as to details, yet concise in form. Its connection with the CHICAGO DAILY NEWS (member of the Associated Press) gives it facilities for news gathering unsurpussed by any journal in the country. Its MARKET REPORTS are specially complete and thoroughly true worthy. Particular attention is given to acticultural and home matters. Every issue contains six completed stories, and a regular installment of an original story by some well known English or American author, exclusively secured for the CHICAGO DAILY NEWS. Condensed notes on fashions, art, industries, literature, science, etc., etc., sppcar

Few papers in the country are so ex-tensively quoted by the press in general for its bright and humorous paragraphs as the Chicago Daily News. These are all reproduced in the WEEKLY NEWS. In its editorial expression the paper speaks from the standpoint of the INDEPENDENT journalist, thereby escaping the temptation to support or condone the questionable under the pressure of party allegiance. Mere partisan extremists will not like it; the fairminded and thoughtful of all parties will appreciate and value its candid statements of facts and conclusions, all calculated to qualify the reader for the formation of his own intelligent opinion. The political events of the year to come promise to assume such a character that a thoroughly truthful and impartial record becomes all-important rather than a partisan one, colored and perverted to individual liking. In all its departments the CHICAGO WEEKLY NEWS aims to present an enterprising, impartial and entertaining family newspaper of the very highest

WHAT OLD SUESCRIBERS SAY

When they Renew their Subscriptions. William Cannons, Pontiac, Cakland County, Mich, says: I think it is the best paper in America."
L. A. Welch, Sullivan, O., says: "It is better than many of the at papers."

James P. Malone, 250 St. Charles street, New Orients, La. says: "In comparet your paper with others I receive, I must say yours, the Chicago WEXNLY NEWS, is good, better, best, I would assent miss a meal than a number of the I would sooner miss a meal than a number of the News. It is the newspaper of the day. It is true to its name. Affred P. Foster, Woodhull, Henry County, fill, says: "It is one of the cleaness papers pub-W. Rhodes, Adrian, Mich., says: "I den't want to miss a number. It is the best pages for news! have everteen.

Peter Lansing, Fstenda, Saunders County, Neb., says: "I like i HR WRIELLY NEWS. It is found readable and valuable news, and although I am in receipt or nine weekly journals. I am constrained to adopt THR WREELLY NEWS as No. 10. because of its non-sariisan artitude in politics, giving me the ungarilled truth concerning the actions of all political parties." M. E. Davenport, Palmyrs, N. Y., array It to the cheapess and best paper I ever Mrs. L. Schonan, Hannibal, Mo., says: "I like your paper very much. I get six other papers, but do not like them as well as the WESSLY W. R. Law, Manadeld, Tex, says: "I sm. highly pleased with the Naws for I get poli-tics presented in it in such a way that I get both sides of the question fairly set forth, which is strictly party long." utterly impossible to get in a strictly party jour-nal of either side."

Its size and character considered, the CHICAGO WEEKLY NEWS is the cheanest weekly in America. ONE DOL-LAR A YEAR, postage included. Our special Clubbing Terms bring it within the reach of all our subscribers. Speci-men copies may be seen at this office. Send Subscriptions to this office.
