

TEMPERANCE READING.

THE NEW MOVEMENT.

Address of the National League for the Suppression of the Liquor Traffic.

Impressed with a deep conviction that an earnest reform has arisen in the history of the Temperance cause, a large number of persons in all parts of the land have expressed the opinion that a new organization of the Temperance forces should be effected on a broad basis to co-ordinate and give direction to this important reform.

PEROLEUM V. NASBY.

Mr. Nasby Makes a Report as to the Condition of the Democracy in Several Points in Kentucky.

The Democratic National Committee requested me to make a report to them, in a month or so, as to the condition of the Democracy in Kentucky, the feelings, or, as they call it, the pulse of the community.

COMPARATIVE STATISTICS.

Saloon vs. Railroad Receipts. More Money for Passes Than for Railroad Transportation.

The Department of San Francisco takes up a new line of comparative statistics. It is not a Temperance paper, but devoted to the social, educational, literary and business world, and its conclusions will be the more authoritative in proportion as the data are more complete.

THE GENERAL MARKETS.

Wheat, Flour, Cotton, Sugar, etc.

Wheat - Shipping steady, 4 1/2 to 5 00. Flour - Soft winter, 3 00 to 3 50. Cotton - Middling, 12 00 to 13 00.

WAIT A LITTLE.

President Cleveland's Utterances on the Cabinet Question.

There is a tremendous urgency among the Democrats for Mr. Cleveland to "speak out." Here it is, within twenty days of the inauguration, and nobody knows who is going to be in the Cabinet.
