Acme Pulverizer

Harrow, Old Crusher and Leveler, subjects the soil to the action of a steel Crusher and Leveler, and the cutting, lifting, turning process of double gangs of subsoilers, the peculiar shape and arrangement of which give Immense Cutting Power!
The three operations of crushing, leveling, leveling the ground, and thoroughly pulverizing the soil are performed at the same time. The entire absence of spikes or spring teeth avoids pulling up rocks; it is specially adapted to inverted soil and hard clay, where other harrows utterly fail. Satisfy yourself by giving the ACME a trial.

FRIDAY JULY 17, 1885.

Farm for Sale.

A valuable farm of 240 acres, known as Maple Grove Farm, seven miles southwest of Red Cloud. 110 acres in a high state of cultivation, 125 acres of pasture with three wire fences. Good hog lot and cattle and sheep corral. Small orchard fenced. Stream of never falling water, fed by four large springs runs through the farm. Plenty of timber for fuel and building purpose. Buildings all new, consisting of frame house, 20x30, 1 1/2 story, containing four rooms and cellar 14x20. A good well of water 30 feet deep near the door. Frame barn 40x38, 12 feet posts, crib and granary well 20 feet deep near by. Chicken house 14x24, hog shed 10x48, sheep or cattle shed 16x60. This is one of the best and richest stock farms in southern Nebraska. Price \$17 per acre; part cash, part in two years and part in four years at ten per cent. interest. Will pay \$100 cash to anyone furnishing me a buyer soon.
Also a farm of 160 acres in Smith county, Kansas, ten miles southwest of Red Cloud. Eighty acres in cultivation, including 14 acres artificial timber 9 years old, contains nearly 9,000 trees, some of which are six inches through and 25 feet high. This is a very desirable farm and will be sold at \$10.00 per acre; part cash, part in two years and balance in three years. Will pay \$50 in cash to anyone furnishing a buyer.
I have also a fine lot of half blood Merino sheep for sale at a bargain on time. For particulars call on or address D. S. Helvern, box 399, Red Cloud, Webster county, Neb.

"By the bye" says Geo. A. Broadbent, editor of the Tongonoxie (Kan) Mirror "you can say that a bottle of Chamberlain's colic, cholera and Diarrhoea Remedy left me by your agent two years ago, proved to be the best remedy I have ever used. I have no doubt but it saved my oldest son's life." The above shows conclusively that there is nothing like having a great life preserver at hand at the right time. It is put in 25c 50c and \$1 bottles, sold by druggists.

An Entertaining Rollable House.

Henry Cook can always be relied upon not only to carry in stock the best of everything but to secure such articles as have well known merit, and are popular with the people, thereby sustaining the reputation of being always entertaining and very reliable. Having secured the agency for the celebrated Dr. King's New Discovery for consumption will sell it on a positive guarantee. It will surely cure any and every affection of the throat and lungs, and to show our confidence we invite you to call and get a trial free of charge.

An Answer Wanted.

Can any one bring us a case of kidney or liver complaint that Electric Bitters will not cure. We say they cannot, as thousands of cases already permanently cured and who are daily recommending Electric Bitters will prove. Bright's disease, diabetes, weak back or any urinary complaint quickly cured. They purify the blood and regulate the bowels and act directly upon the diseased parts. Every bottle guaranteed. For sale at 50c a bottle at Henry Cook's.

Burkles' Anodyne.

The best sale in the world for cuts, bruises, corns, ulcers, salt rheum, chilblains, corns and all skin eruptions and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money returned. Price 25c per box.

No lady is safe in attempting to use any other saleratus and soda than DeLand's. All over this broad land their name is a synonym with excellence.
The Register thus concludes an article on British and Russian field artillery: "Altogether, then, in material we ought to have some advantage at first over Russia. Nevertheless we maintain that it is by no means the condition of things that ought to exist under the circumstances, because Great Britain has had the peculiar need as a practical question before her for seven or eight years. Surely three seven mountain batteries, one elephant divided gun, and a few light and dangerous rockets, which we feel are very unlikely to be fired, are not an adequate result to show for the multi-lashed efforts of the Government departments of a rich and powerful country whose name is set on holding her own in India."

Advice to Mothers.

Are you disturbed at night and torned by your little child's crying and screaming and all the time as if he had a pain in his bowels? Is he not restless until you get up and soothe him? If you are afflicted with these symptoms, you are suffering from colic, and you need Dr. Price's Cherry Brandy. It is a powerful remedy for colic, and it is the only one that will cure it. It is sold by all druggists throughout the world. Price 25c per bottle.
