LINCOLN

Medical Institute and Water Cure.

BATHS, ELECTRICITY, MASSAGE, SWEDISH MOVEMENT CURE.

THE LINCOLN MEDICAL INSTITUTE AND WATER CURE is owned, controlled, and managed by a company of physicians and surgeons who have had years of experience as specialists in their respective departments. The building is one block from the Capital and on street car from Fremont Street can be seen all the state institutions, public grounds, the entire city of Lincoln and the West for the treatment of disease. It is the largest, most thoroughly equipped, and conveniently arranged building in the West for the treatment of disease. It contains fifty-six rooms for the accommodation of patients, besides parlors, offices, reading room, and laboratory. Everything to make life pleasant and enjoyable during treatment has been provided—pleasant company, music, reading, gymnastics and treatment, new and improved methods have been adopted. There are thousands of persons who have taken gallons of drugs and patent medicines without benefit, and a time with fear. For each case the best results are obtained by MASSAGE, ELECTRICITY, MINERAL AND AERATED WATER and the SWEDISH MOVEMENT CURE, the best of which is the wonder-working cure which has been so gratefully received by patients, both in Europe and America. In diseases of women a special department has been provided, and patients will find here a home where treatment is conducted with care, both to physicians and patient. With large parlors and airy rooms a patient may enjoy their recreation or society, all under the supervision of a lady who knows how to entertain as well as to assist the suffering. In the treatment of SPINAL CURVATURE AND DEFORMITY OF THE FEET AND LIMBS, our Institute offers special advantages. Diseases of the EYE, EAR, THROAT, AND NASAL CAVITIES are under the care of a specialist of years of experience. CATARRH, that terrible disease, is treated and permanently cured by an entirely new process. HEMIPLEGIA radically cured by a new operation, without pain or danger. HILDS electrically and permanently cured, and invite correspondence in this particular. Lincoln is noted for its MINERAL WATERS and hospitable citizens. It is easy of access from all points and will cost you nothing to visit our Institute and learn its workings. Circulars and reading matter on special diseases sent free on application. Medicine sent to all parts of the country after examination or otherwise by letter, when it can be done satisfactorily. Members of the staff will, in special cases, visit patients at their homes out of the city.

Job H. Jackson, president of the Delaware car-works, made a remarkable address to the young men of Wilmington on business success. Among his illustrations were S. F. B. Morse, the inventor of the telegraph, George Stephenson, John Wainwright, Alexander T. Stewart, Cornelius Vanderbilt, Peter Cooper, H. B. Claffin, Senator Brown of Georgia, who, he says, "could not read at childhood, but with such odds became a governor, judge, and senator," ex-Senator Davis, of West Virginia, who started life as a brakeman, Austin Corbin, Sherburne S. Merrill, and John Brown.

A young woman resident of Elbow, N. H., is now rapidly recovering from a singular illness. Over a year ago she had several teeth extracted by a dentist while under the influence of chloroform, and immediately afterward she was seized with a bad cough and gradually wasted and took her bed, as it was supposed, in consumption. Several physicians examined her on one, one of whom attributed her illness to an silver in the throat and gave her a remedy. The medicine resulted in a severe prostration of coughing, during which she threw out a tooth that had lodged in her throat while she was chloroformed and remained, nearly empty for her life.

From Rheumatism. The physician found several cases of Rheumatism, and in two days was cured.

A correspondent in a medical journal once said to his class: "I have found in a man, that the cure of Rheumatism is not in the cure of the disease, but in the cure of the man." This is the true philosophy of the cure of Rheumatism. It is not the disease that is cured, but the man who is cured. The cure of Rheumatism is the cure of the man. The cure of the man is the cure of Rheumatism. The cure of Rheumatism is the cure of the man. The cure of the man is the cure of Rheumatism.

Many persons have tried a many specialities, often without benefit, that they have no faith in any more, and it is with your whole heart that you turn to the cure of Rheumatism. If you have any doubts as to the efficacy of the cure of Rheumatism, you will find it in the cure of the man. The cure of the man is the cure of Rheumatism. The cure of Rheumatism is the cure of the man. The cure of the man is the cure of Rheumatism.
