CURRENT COMMENT.

LABUTEMANT BORDER, who was arsted some time ago for publicly villing the Queen of Spain, has been school to eight years' confinement in a military prison. He was commander of the palace guard and a cousin of the late King Alfonso.

A LONDON correspondent says that the old public schools in England are relaxing their strict adherance to the classics. "Rugby," he says, "is about to institute a modern side, and changes In the same direction are being gradwally introduced at Eton, her great rival, . Harrow having long had something of the kind."

THE Turkish Porte has issued a circular to the powers in which it points out that the present strained political situation is unbearable. It says that Turkey, though not to blame for this state of affairs, is compelled to maintain a huge army on a war footing at a rainous expense, which will empty her treasury, unless the Powers effect a speedy settlement.

THE recent murder of Mr. and Mrs. Jesse C. Wickersham, near Cloverdale, Cal., by their Chinese cook is reported to have again aroused the anti-Chinese sentiment throughout the Pacific slope. As soon as the facts of the murder were confirmed, anti-Chinese organizations were effected in many of the most important towns in California and resolutions to boycott the Chinese were adopted.

An Austin, Tex., dispatch of the 28th says: Thursday afternoon, from out of a clear sky, a shower of very fine dust began falling. There was no wind at the time. The shower increased toward nightfall and continued through half the night. The dust had a peculiar effect on the lungs and member of that body from the State of Illinois, and the Senate adjourned....Mr. Weaver, of Iowa, introduced a bill to proness in some cases. A similar phemomenon was witnessed here eight to actual settlers. In Committee of the

Tab al collections of internal revcane dura, the first six months of the seal year caled June 30, 1885, were \$58,549,611, an increase of \$2,029,464 over the collection during the same period of the last meal year. There was an increase of \$67,573 on spirits, \$539,565 on tobacco and \$437,801 on fermented liquors, and a secrease of 274,475 on miscellaneous item. The receipts during December, 1885, were \$559,241 greater than during Decamber, 1884.

ACCORDING to Mr. Erastus Wyman, the Baltimore & Ohio railroad will not be prevented from crossing the Killon-Kull and reaching New York haror, even if the New Jersey Legislature refuses permission to bridge that strip of water. He says ters will be built out into the ide, and that a boat four hundred feet

CONGRESSIONAL.

Wann the Senate had finished its preliminary work on the 25th, Mr. Voorhees called up his resolution expressive of the Senate's deep sense of the public loss in the death of the late Vice-President Hendricks. The resolution having been read Mr. Voorhoes addressed the Senate. Enlogies were also delivered by Senators Hampton, Sherman, Saulsbury, Evarts, Ranson, Spooner, Vest and Harrison. The resolution was adopted and the Senate adjourned. In the House the cail of States for bills was followed by the introduction of a number of new bills. Several committees also reported new bills. Several committees also reported bills, one being a bill to pension survivors of the Mexican war. Mr. Thomas, of Illinois. on behalf of the Committee on Navei Affairs, called up the bill authorizing the voluntary retirement of certain officers of the navy who have rendered conspicuous service in battle or served thirty years in the navy. Pending discussion on the bill the House ad-Is the Senate on the 27th the memorials

of the Kansas Legislature for the establishment of two additional military stations as a protection against Indians and for the ex-tens on of military facilities at Fort Riley condemned to death for belonging to a were presented. Senator Plumb's resolution Polish socialistic revolutionary association of inquiry as to the number of military bands in the army was agreed to. Senator Harrison's substitute for his original resoluion of inquiry as to the administration of the Pension Office, was taken from the table and without debate agreed to. The Electoral Count bill was postponed until Monday. Senator Harrison called up the bill for the admission of Dakota and addressed the Senate in its favor. Senator Butler then took the floor to reply to Senator Harr son, but yielded for an executive session, after which the Senate adjourned.....in the House the Senate resolutions upon the death of Mr. Hendricks were presented and laid over until Tuesday. The morn-ing hour was taken up in decussing the bill for the retirement of certain naval officers, and the House proceeded to considerate of the bill declaring forfelted certain land grants to the States of Mississppi, Alabama and Louisiana, to aid in the construction o ratironds. This bill is identical with that passed by the House in the Forty eighth Congress. An amendment was adopted that the inds restored to the public domain shall be fubject to entry and settlement under the provisions of the homestead law only, and confirming sales of such lands beretofore sade by the United States, and the bill

Among the bills introduced in the Senate on the 28th was one by Mr. Sherman to discontinue the coinage of the silver dollar, to provide for the purchase of silver bullion in burs, at not less than 2,000,000 ounces nor more than 4,000,000 ounces per month at market price, and for the issue in payment there-for of coin certificates of not less denomination than \$10 each, the bullion to remain in the Treasury as security for the payment of the certificates. The bill for the admission of Dakota came up and Mr. Butler addressed the Senate in opposition to it. Mr. Wilson, of Iowa, followed in favor of the bill. Several messages were received from the President transmitting information. when a message from the House announce the death of Hon. Reuben Ellwood, late Whole the bill reported by the Shipping Committee to abolish certain fees for services to American vessels was taken up and pending consideration the committee rose and the House proceeded to the consideramuse during the first six months of the tion of appropriate resolutions touching the death of Congressman Reuben Eliwood, of House adjourned.

In the Senate on the 29th Mr. Ingalls, from the Committee on Judiciary, reported favorably the bill relieving from political disabilities George S. Storrs, of Texas, and on Mr. Ingalls' motion the bill was passed. Mr. of the State of Florida and in a short speech blistered a Washington claim agent who put in a bill of \$62,000 for services in behalf of the Vest took the floor on the Dakota bili and spoke against the measure, at the conclusion way for a motion to adjourn and the Senate adjourned until Monday... In the House after a few private measures had been recorted by committees, the House went into committee of the Whole on the private cal-ender. When the committee rose the House recess until evening, at which session

The Grand Haven Freight House Burned-Destroyed by a Volcano-A Colorado

Snowslide. GRAND HAVEN, Mich., Feb. 2.-Fire broke out at 10:30 last night in the Detroit, Grand Haven & Milwaukee freight house, and in a few minutes nearly half of that immense structure, which stretches nearly three squares from north to south, was on fire. The fire department responded quickly, but owing to the fierce southwest gale and intense cold, was unable to check the fire's progress, and soon the entire structure was a mass of flames. The department worked heroically, but could save nothing in the freight house and elevator, and all years Mrs. Bayard had been a confirmed energy was directed to adjoining buildings. The passenger steamer City of Milwankee was lying alongside the elevator and was tadly scorched. At 11:25 p. m. the eleva- home in Wilmington, Del., with a ernments," and the latter taking for his tor was entirely enveloped in fierce flames, together with the remainder of the warehouse, and nothing could it. Lumber yards are just north ber daugher, Miss Kate, Mrs. Bayard put Hon. James Humphrey, member of the of the fire and a large portion of the berself under the care of Dr. F. A. Gardner State Board of Railroad Commissioners, for city was threatened. Twenty-five or thirty of this city and under his treatment she freight cars were destroyed. At 11:45 had improved so much as to be able to go in o'clock the elevator fell and the warehouse society this winter and although still an innorth of the elevator caught fire. At 12:20 valid she was in comparatively good health o'clock the fire was under control but was when her daughter died. She was about still fiercely burning. Although covered fifty-one years of age. With the exception with corrugated iron, the buildings would of her daughter, Mrs. Warren, of Boston, have all gone like tinder but for the hard and her son, who is in Arizona, the family and intelligent work of the firemen. The were present when she died. The body gale continued blowing fiercely, but had will be taken to Wilmington for burial toshifted to the west which aided materially day and the funeral will be held there on in the hour of greatest need. Indian Scouts Alleged to be a Lot of Tucson, A. T., Feb. 1.-Mexican citizens, who arrived here to-day from Nacori, say the reason the Mexican troops fired on Captain Crawford's Indian scouts was they were equally as objectionable in Mexico as the so-called renegade Apaches. The treaty does not authorize bringing into the country hostile Indians, who murder their citizens and lay waste their property. The claim can be proved that Crook's scouts have repeatedly committed depredations in

Bennett, recently recommended to said office, have been already sent to the Judiciary Committee of the Senate, and the papers and documents which are mentioned in said resolution still remain in the custody of this department and have exclusive reference to the suspension by the President of George M. Dustin, late incumbent of the office of District Attorney of the United States for the Southern District of Alabama. It is not considered that the public interests will be promoted by compliance with said resoation and the transmission of the papers and documents therein mentioned to the Senate in executive session,"

NATIONAL FINANCES.

Senator Ingalls on the Financial Outlook

and Congressional Legislation. WASHINGTON, Jan. 30. Senator Ingalia thinks the fact that nearly \$6,000,000 of the \$10,000,000 bonds called are in the hands of National banks very significant, "This means the retring of about \$5,400,000 of National bank notes," said he tast evening. "If this proportion should continue in foture cases, we will have the entire issue of National bank notes amounting to over \$300,000,000, retired before we are prepared for it. We are then brought face to pre-emption and timber culture land laws face with the problem: What shall we permanent residence and shall irrigate one- turn to the old state bond system, or shall half of it the patent to issue five years we continue to issue sliver and certificates ernment can attach a patent to five years. apparent to my mind is the issue of silver

---CONCERNING GRANT.

General Grant With Drunkenness Claimed

lishes a letter from General George W. Cutlom, of New York, the Chief of General Halleck's staff in 1861-'62, in which her states that the recently published alleged dispatch of General Halleck to General Me-Ciellan charging Grant with drankenness is a forgery. He furnishes a letter from Mr. W. C. Prime, the custodian of General McClellan's official papers, in which the writer states that after careful examination of McClellan's papers so such dispatch can be found, General Cuttom also shows that both General Grant in his memoirs and Colonel Fred Grant in his recent contribution to the North American Review were in error in stating that Halleck had recommended General C. says General Cullom, "conclusively provethat Halleck recommended Grant for a Major General before he proposed Smith's promotion. Grant's commission is dated february 16, 1862, while that of Smith is

preparations completed he went in and laid down on his bed and died within afteen minutes without a struggie.
