Mr. Case's chances to carry Webster county are very remote at this writing If a democrat was to be elected governor, we would just as soon see the exsenator there as any Democrat, but a democratic governor at this stage of Nebraska politics is not at all likely.

Ir would seem to a casual observer that after all the democracy had promised to do, if they became the dominent party, that they had made a visible failure in every thing. All the great frauds that they were to anearth. in the Republican ranks, still remain lowhidden, and as far as the superior leg islation is concerned they have done comparitively nothing, the principal part of their entire work in congress has been to draw their salary and heap expense upon the people. Their pretentions so far have ended in great journed and give the people a rest.
