### J. J. DUCKER,

RED CLOUD, NEBRASKA.

Prof. Joseph Heine and his accomplished family are probably the best cards that ever held the boards at the Opera House in this city. Prof. Heine is a wonderful violinist, whose comprehensive musical powers seems to be something out of the usual line of expert musicians. He has been blind from birth, yet he understands music thoroughly and can make a violin simply talk. His violin is over 300 year old and thousands of dollars would not buy it. He is certainly a musical genius of rare ability and should he and his accomplished family ever return to Red Cloud they can expect a large and appreciative audience. No lover of music should fail to see Prof. Heine.

#### The Pride of Woman.

A clear, rosy and transparent skin is always a sign of pure blood, and all persons troubled with dark, greasy, yellow or blotched skin can rest assured that their blood is out of order. A few doses of Berg's blood purifier and blood maker will remove the cause and the skin will become clear and transparent. Try it and if satisfaction is not given it will cost you nothing. It is fully warranted. C. L. Cotting, druggist.

#### INAVALUE.

Esq. Holdredge is slowly improving from his injuries.

Prof. G. R. Morary who has had charge of the school at Orleans the last two years is rustivating on his farm south of the river for a short time.

FRANKIE.

#### You Cannot Afford

At this season of the year to be without a good reliable diarrhoea balsam in the house, as cramps, colic, diarrhoea and all inflammation of the stomach and bowels are exceedingly dangerous if not attended to at once. One bottle of Berg's diarrhoea balsam will do more good in cases of this kind than any other medicine on earth. We guarantee it. C. L. Cotting, druggist

#### Passing to the Great Beyond.

W. N. King is dying as fast as probably any boy ever died of consumption. Death is written in every lineament of his features. He is fearfully emaciated and is so weak that he scarcely can move about. In view of these facts, County attorney Mahoney yesterday asked the court to send the prisoner, now in the county jail accused of forgery, to the poor farm, that he might meet death amid somewhat more comfortable surroundings. A certificate from the county physician will be furnished to-day, and King will then be committed to the poor farm.—Omaha Republican.

#### AN OCTOGENARIAN GONE.

Uncle Daniel C. Metcalf Departs This Life.

For a number of months past Uncle Dan Metcalf, as he is familiarly known by our people, has been confined to his bed by sickness, and has been gradually fading away toward the golden shores of the great future, dissolution occurring finally last Thursday morning at his residence on 8th Avenue. He had lived in Red Cloud and vicinity for about 17 years, and by correct habits and his daily walks in life he made hosts of friends and gained a lasting friendship that time can only wash away. He was born in 1809, in Steuben county, N. Y., and consequently was almost 80 years old, during which period he made the best of the opportunities given him by his creator. He was a man whom all respected and learned to revere.

He leaves a large family to mourn his demise. About 30 years ago he joined the Odd Fellow's and remained one during that time and up to his death, which society conducted the services this morning. A large number of relatives and friends followed the remains to their last resting place. Peace be to his ashes, and may his spirit in its happy flight to realm of bliss be the harbinger of a bright existence in the great hereafter.

#### Why Is It

That people linger along always complaining about that continual tired feeling? One bottle of Berg's blood purifier and blood maker will remove this feeling, give them a good appetite and regulate digestion. C. L. Cotting, druggist
